When students know they will be gone from school on a family vacation/trip or going hunting and they want the absence to be counted as an "Exempt Absence" this form needs to be completed. Students need to see teachers for assignments and teachers need to initial or sign that students met with them. Students will have one day for each day of absence to turn in work or make up work once they return from the absence. Once all the above information has been completed and a parent and student have signed below, turn the form into the principal. The principal will sign the form and keep it on file. **Family Vacation/Trip and Hunting. Students must complete the Pre-Arranged Absence form and turn it into the office 2 days (48 hours) before the day(s) of absence. If students are going hunting they must also provide to the office a copy of their tags. No pre-arranged absence forms for family vacation/trip or hunting will be approved for students failing any class. Students are limited to 2 excused family vacation/trips or hunting absences per school year. Any approved day(s) will show in Power School as "VH".**
