<p>All Facility Staff Members and Users</p>	<p>Follow the <i>Step-by-Step Emergency Response Plan</i> described below:</p> <ol style="list-style-type: none"> 1. Immediately notify the building's emergency responder(s) whose contact information is posted in the facility. Under life and death circumstances call 9-1-1 without delay. 2. Bring the first aid equipment and AED to the emergency scene. The AED is to be operated only by trained AED users for the intended purpose of the AED, unless the circumstances do not allow time for a trained AED user to arrive. 3. Immediately inform the Building Principal or designee of the emergency. 4. The emergency responder will take charge of the emergency. This person will apply first aid, CPR, and/or the AED, as appropriate. 5. If necessary, the emergency responder instructs someone to call 9-1-1, providing the location in the building and which entrance to use. This person should make sure someone is sent to open the door for paramedics and guide them to the scene. 6. When paramedics arrive and assume care of the victim, the emergency responder or other staff person notifies the victim's parent/guardian or relative. 7. If an AED was used, the person using it completes the <i>Automatic External Defibrillator Incident Report</i>, 4:170-E6. If appropriate, a supervising staff member completes an accident report. 8. If an adult refuses treatment, the emergency responder documents the refusal and, if possible, asks the adult to sign a statement stating that he or she refused treatment.
