Re: Military Recruiters and Postsecondary Institutions Receiving Student Directory Information

Dear Parents:

From time-to-time, military recruiters and postsecondary educational institutions request the names, telephone numbers, and addresses of our secondary students. The school must provide this information unless the parent(s)/guardian(s) request that it not be disclosed without their prior written consent.

**Important:** If you do not want military recruiters or institutions of higher learning to be given your secondary school student's name, address, and telephone number, please complete the form below and return it to the Building Principal.

Sincerely,

Mike Mauzy, Jr.  
Superintendent
