

## MS Word Forms

To work with controls to create a form, choose the **Developer** tab. Make sure you check this in your **Word Options** make this tab available.

# MICROSOFT WORD 2007 ADVANCED TIP SHEET

Presented by: Theresa Twaddle, Business Teacher  
Illini West High School District #307  
Carthage, IL

### Assignment:

Create an online form that can be used as a fill-in handout for your students. This form then can be printed or graded electronically.
