Exhibit - Immediately Available District Public Records and Web-Posted Reports and Records ¹

[For use by only those Districts that have websites.]

The District’s Freedom of Information Officer designates the public records that are listed in this table as being immediately available to the public. The records that are asterisked are posted on the District’s website and may be immediately inspected, downloaded, printed, and/or copied. Any asterisked public record is also immediately available for inspection or copying upon request at the District’s administrative office during its regular business hours, provided any applicable fees are paid. Records without an asterisk will be provided within five business days as allowed by the Freedom of Information Act, provided any applicable fees are paid.

¹ This exhibit has two purposes: (1) to identify the data and documents that must be posted on a district’s website, if the district has a website, and (2) to fulfill the requirement in the Freedom of Information Act (FOIA) for the district’s FOIA officer to designate the public records that are immediately available to the public. 5 ILCS 140/3.5(a). Many attorneys agree that using the required items for web-posting is an easy and practical way for the FOIA Officer to develop a list of public records that are *immediately available*. Some attorneys prefer that the district also retain copies of its web-posted public records for immediate inspection and/or copying upon request at the administrative office. The introductory paragraph manages this issue by indicating that copies of certain identified public records will also be immediately available in the district’s administrative office. This exhibit suggests identifying public records for immediate availability that are easily reproduced and stored, i.e., not voluminous. The FOIA Officer should customize this list as appropriate to the district’s circumstances.

Note, however, that simply referring a FOIA requester to a responsive document that is available on the district’s website is not a sufficient response and that a copy must be provided on request. See reference in Public Access Counselor binding opinion 10-001. Consult the board attorney for ideas to manage the district’s specific FOIA compliance issues.

The “Intermediate Service Center” is given as an alternative to “Regional Superintendent” herein because 105 ILCS 5/2-3.62 abolished the Regional Office of Education for Suburban Cook County and transferred its powers and duties to Intermediate Service Centers.
