For release:

Congratulations to Teddi Clark and Kevin White for being recognized and awarded IWHS Charger of the month for September 2018!

Teddi was nominated by Mrs. Murphy. An excerpt from her nomination letter is as follows;

“Teddi is an outstanding student, very involved in the activities at Illini West and a good role model for others. I have had her as a student in math classes for the past 2 years and her work ethic and effort is exceptional. She always earns one of the top grades in the class. She participates in band, chorus, drama, FBLA, quiz bowl, International club, Key Club & SADD. She is both a student council class representative and president of her class. She has been selected as a member of National Honor Society and attended the Youth Leadership Academy as a junior. She also has all the characteristics of the Charger Code.”

Kevin was nominated by Mrs. Shupe. An excerpt from his nomination letters is as follows;

“Kevin is a highly dedicated and involved Illini West student. He has shown excellent management and organizational skills as the Student Council president. In addition, he is a successful, enthusiastic member of the Scholastic Bowl team and a solid, devoted member of the Cross Country team. In conjunction with all of his extracurricular activities, Kevin is a strong academic student who puts forth great effort in his work and always maintains a respectful attitude in the classroom toward his teachers and peers. He is a wonderful representative of Illini West and is often the first person I think of when a student is needed to fulfill an extra duty or be a school representative. These are the many reasons I think Kevin would make an outstanding choice as Charger of the Month.”

Teddi and Kevin will receive a gift card, their picture on the school website, special parking spot for the month, and recognition in the local newspapers.

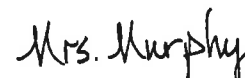

We here at IWHS are all proud of Teddi and Kevin and their efforts!  
Congratulations!
