Congratulations to Baylee Gavillet for being recognized and awarded IWHS Charger of the month for April 2019!

Baylee was nominated by Mr. Hoener. An excerpt from the nomination letter is as follows;

"Baylee is the type of young lady that adds to every day. Her attitude and character are so positive. If she doesn't know or understand something she will ask, and you can tell that she honestly wants to learn. She is the one person in class others rely on to ask some of the very insightful questions during presentations. I am so impressed how her mind works. She is always thinking, and I have found now that the rest of the class relies on her to step up and ask the right questions.

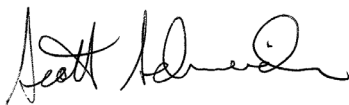

She is also such a huge hearted young lady. We have worked on many community projects and she never ceases to amaze me how much she is willing to do for those in need. And all the time does it with a smile on her face. Her positive attitude is truly contagious. It is hard to be down when you have someone like Baylee around. She is truly an unsung leader. She does not just say this needs to be done, she is the one that does it. I am very proud of all her efforts."

This award goes to a student who has demonstrated dedication, achievement and outstanding effort at IWHS.

Baylee will receive a food card, her picture on the school website, special parking spot for the month, and recognition in the local newspapers.

All of us here at IWHS are proud of Baylee and her efforts! Once again Congratulations!

Thank You,

IWHS Principal
