Congratulations to Donovan Squier for being recognized and awarded IWHS Charger of the month for April 2019!

Donovan was nominated by Mr. G. An excerpt from the nomination letter is as follows;

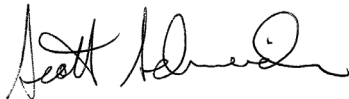

"Donovan has been coming into my office on days he does not have college class and consistently is looking for opportunities to grow his knowledge on technology. He asks to help in any way he can, and when asked completes the assigned role easily and consistently. If he doesn't understand he will ask for assistance and then will rectify the situation accordingly. All of this is just because he wants to, not because he has to or is assigned to do it. He has also become an integral part of the ESports team, having the highest level on the team, being the most consistent on the team, and coming in any time the team has a practice or play session."

This award goes to a student who has demonstrated dedication, achievement and outstanding effort at IWHS.

Donovan will receive a food card, his picture on the school website, special parking spot for the month, and recognition in the local newspapers.

All of us here at IWHS are proud of Donovan and his efforts! Once again
Congratulations!

Thank You,

IWHS Principal
