Scott Schneider, Principal  
Jim Short, Dean of Students

1/03/18

Congratulations to Connor Artman for being recognized and awarded IWHS Charger of the month for January 2018!

Connor was nominated by Mr. Hoener and Mrs. Murphy. An excerpt from his nomination letters is as follows;

*Connor shows maturity and work ethic that is well above average. The more time that has gone by has shown me his desire to excel at whatever he chooses to do. He is the type of young man that pushes himself to be the best he can be. He has shown me that he learns from mistakes and that motivates him to push himself even harder. He has stepped up and has been more involved in our projects and I look forward to seeing what he will do in the next semester. He has a positive hard working attitude and while he is definitely competitive he looks at life with a unique sense of honesty.*

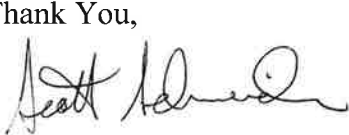

*Connor exemplifies all the traits we hope to see in our students. He has an outstanding work ethic and a disciplined approach to learning. He completes all assignments accurately and on time, and actively participates in class discussions. He often asks questions to verify his understanding is correct. He is a member of the student council, FBLA, robotics team, math team, and WYSE team. His character, service & leadership along with his academic excellence have been recognized by the member of the state champion track team and will continue in that sport in college. Connor also has a positive attitude every day and treats everyone in the classroom with respect. He deserves to be "Charger of the Month."*

This award goes to a student who has demonstrated dedication, achievement and outstanding effort at IWHS.

Connor will receive a food card, his picture on the school website, special parking spot for the month, and recognition in the local newspapers.

We here at IWHS are all proud of Connor and his efforts! Once again Congratulations!

Thank You,

Mr. Schneider  
IWHS Principal

Mr. Hoener  
History Teacher

Mrs. Murphy  
Math Teacher

*Illini West High School, in cooperation with parents and the community, will empower students to become engaged, contributing members of our school, our community, and our world.*
