Congratulations to Daytona Dooley for being recognized and awarded IWHS Charger of the month for January 2019!

Daytona was nominated by Mr. Hoener. An excerpt from the nomination letter is as follows;

"Daytona has always been a person that has worked hard and pushed herself to be one of the best. This past year I have seen her grow even further. She has the character of a champion and works hard to achieve her goals. Now she has broadened herself out by getting very involved in community events and getting other students involved as well. She truly leads by example. She has always been a crucial part of the Community Service Day. This year was no exception. As our media person she did various interviews helping to inform people of all the positive the students of Illini West are doing. Most recently she took the lead in charging up her fellow students in support of the football team and their success. It took a great deal of organizing and coordinating people and events. I know a lot of people don't think this takes too much effort, but it is extremely stressful. She has truly grown and matured into a leader. Someone who cares not only about the success of the project and events, but more importantly her fellow students and community. I am extremely proud of all her efforts and I know she has just begun to show us all what she can do."

This award goes to a student who has demonstrated dedication, achievement and outstanding effort at IWHS.

Daytona will receive a food card, her picture on the school website, special parking spot for the month, and recognition in the local newspapers.

All of us here at IWHS are proud of Daytona and her efforts! Once again
Congratulations!

Thank You,

IWHS Principal
