Congratulations to Ali Bliss for being recognized and awarded IWHS Charger of the month for March 2019!

Ali was nominated by Mrs. Hartweg and Mr. Hoener. An excerpt from the nomination letters is as follows;

"In marching band Ali served as a captain to the flag team that she has been a member of for all four years of high school. In concert band Ali is a section leader (a very good one, and when she is gone her clarinet section MISSES her!) I know Ali is quite active and a major part of the softball team, and she played volley ball this fall. She is an excellent student, her grades show that, and she is very dependable and prompt. Ali would be an excellent candidate for student of the month!" – Mrs. Hartweg

"Ali is easily one of the most rounded young ladies I have had the honor of knowing and working with. I have been in this business nearly 30 years and can easily say she is one of the hardest working young ladies I've had in class. At times it may seem like it comes easy for her, but I know she works very hard at whatever she does. Anything but total success is not part of her life. I have had students I can count on to do a lot of things, she is clearly among those. I can say with total confidence that there is literally nothing I would not trust her to do. Her character is that strong. I know her mother and father are proud of all she is. Ali is truly a special young person that will be a success at whatever she chooses to do. – Mr. Hoener

This award goes to a student who has demonstrated dedication, achievement and outstanding effort at IWHS.

Ali will receive a food card, her picture on the school website, special parking spot for the month, and recognition in the local newspapers.

All of us here at IWHS are proud of Ali and her efforts! Once again Congratulations!

Thank You,
