Dear Illini West Students, Staff and Families,

The Governor has mandated that schools will be closed from Tuesday, March 17th through Monday, March 30th. Therefore, Illini West will return to school on Tuesday, March 31st

During this time, if you are concerned about meals, please contact the high school office at 217-357-2136 by NOON of March 17th. Once we get a head count of those needing meals, we will send out more information to those who have contacted the high school.

This is a fluid situation and updates should be expected. Thank you for your patience and cooperation as we work diligently to coordinate a workable plan for all of our students while keeping their health and well being as the number one priority

Please monitor the Illini West website for further updates. Thank you.
