STAFF HANDBOOK

General Personnel

The Illini West High School District #307 Staff Handbook contains policies and procedures in place at the time of publication. Since the publication of this handbook, some items may have become inaccurate or incorrect due to changes in Board Policy or administrative procedures. This handbook does not contain all the policies and procedures of the Illini West High School District as adopted by the Board of Education. The complete Board Policy may be viewed at the High School or District Office. In case of any conflict, current Board policies and procedures shall govern.

Abused and Neglected Child Reporting

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 21, an abused or neglected individual with a disability, shall: (1) immediately report or cause a report to be made to the Illinois Department of Children and Family Services (DCFS) on its Child Abuse Hotline 800/25-ABUSE or 217/524-2606, and (2) follow directions given by DCFS concerning filing a written report within 48 hours with the nearest DCFS field office.

The report shall include, if known:

- 1. The name and address of the child, parent/guardian names, or other persons having custody;*
- 2. The child's age;*
- 3. The child's condition, including any evidence of previous injuries or disabilities; and*
- 4. Any other information that the reporter believes may be helpful to DCFS for its investigation.*

The employee shall also promptly notify the Superintendent or Building Principal that a report has been made. The Superintendent or Building Principal shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement.

Any District employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 800/843-5678, or online at www.cybertipline.com. The Superintendent or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Superintendent, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and Erin's Law Training

The Superintendent or designee shall provide staff development opportunities for District employees in the detection, reporting, and prevention of child abuse and neglect.

All District employees shall:

- 1. Before beginning employment, sign the Acknowledgement of Mandated Reporter Status form provided by DCFS. The Superintendent or designee shall ensure that the signed forms are retained.*

2. Complete mandated reporter training as required by law within one year of initial employment and at least every 5 years after that date.

The Superintendent will encourage all District educators to complete continuing professional development that addresses the traits and identifiers that may be evident in students who are victims of child sexual abuse, including recognizing and reporting child sexual abuse and providing appropriate follow-up and care for abused students as they return to the classroom setting.

Bd Policy 5:90

Accidents

All accidents must be immediately reported to the high school office. (The high school office must forward copies to the District Office.) Details of the accident and the signature of the person in charge when the accident occurred must be supplied using the Accident Report Form available in the office or on the District web site.

Activities

Activities that do not occur between 8:00 AM and 10:00 PM Monday through Saturday should be cleared with the Superintendent. No activities are scheduled on Sundays without the consent of the Superintendent. All student activities must be under direct supervision of a faculty member.

All activities must be on the master calendar located on the district web site and official IWHS high school online calendar (IWHS Google Calendar) maintained by the principal for the school's liability insurance to be in effect.

Activity Vans

IWHS District has purchased and leased yellow school buses and purchased white activity buses to provide transportation for our students. Groups of 14 passengers or less will use one of the IWHS white activity buses (subject to availability). The sponsor/coach of the group will be required to drive the vehicle for the event. Before a staff member drives an activity bus, a copy of his/her driver's license must be filed with the District Office for insurance purposes (District insurance covers authorized drivers when operating one of the school activity buses.) Sponsor/coaches who plan on driving will also need to attend an Activity Bus training session. Non-school persons are not at this time permitted to drive the student activity buses.

Arranging transportation for sporting events will be the responsibility of the Transportation Director with consultation from the Athletic Director if needed. All other events should be handled as follows:

1. Complete a Field Trip/Transportation Request form as posted on the District web site. The Transportation Director will then determine which transportation option is appropriate for the situation and complete the "Office Use Only" portion of the form.
2. If the activity is assigned an activity bus, the sponsor/coach will be notified by the Transportation Director, indicating which activity bus to use for the trip.
3. Keys for the vehicle should be obtained from the district office. (Please plan ahead if you need to get the keys for a weekend trip.) Keys can be picked up at the district office.
4. A School Bus Driver's Pre-Trip Inspection Form must be completed immediately prior to each trip. (This form is available on the district web-site. Blank copies should be available in each vehicle as well.) Upon completion of the trip, the Inspection Form must be turned in to the Transportation Director within 48 hours.

5. Sufficient time for fueling the vehicle for your trip should be planned in your schedule. If fuel is needed in the vehicle, it should be purchased at the FS Station located west of Carthage on Highway 136 or at Law's Gas Station just south of the four-way stop in town. A district credit card for charging the fuel should be obtained at the district office. Please mark the activity bus number on the receipt. The card and receipt, along with the keys to the vehicle, should be turned in to the District Office as soon as possible after returning from the trip.
6. If the trip will require more than a tank of fuel, a Visa credit card should be obtained from the District Office for additional fuel purchases. This card and receipt(s), indicating mileage at time of fueling, should be returned to the District Office as soon as possible after returning from the trip, with a copy turned in to the High School Office.
7. Any questions you might have or problems with a vehicle should be reported ASAP to the Transportation Director.

Admission of Staff to School Activities

Two athletic passes may be issued to each staff member: one pass for the employee and one for a guest. This pass must be presented at all athletic events if the employee or guest expects free admission to the activity. Without a pass, an individual must pay to be admitted to the contest.

Board of Education Meeting Procedures

The public is always welcome at a Board of Education meeting. The Board conducts its regular monthly meeting on the fourth Wednesday of the month. A schedule of meetings is posted on the District website and at the District Office. It is important that as a guest at a meeting, one observes correct protocols. There is a time within the meeting for public comments – the Board may be addressed at that time.

If a staff member of a sponsored group needs to present information or a request for Board action, the correct protocol for placement on the Board agenda must be followed. To accomplish this, the staff member must let the Superintendent of his/her building know of the request 10 days prior to the Board meeting. A written proposal must be submitted to the Superintendent for consideration no later than 10 days prior to the Board meeting. Reports will not be handed out at Board meeting, they must be included in the packet prepared for the Board.

It is beneficial if requests requiring board action are placed on the agenda two months prior to when the action is needed. In that manner the Board can consider the information at the first meeting, ask questions, garner additional information, consider and then act of the request at the next regularly scheduled meeting.

Break-In or Theft

Any break-ins or theft will be reported to the principal upon discovery. A written report must immediately be filed with the principal. The report should include a list of any items that are missing or damaged.

Building Visitors

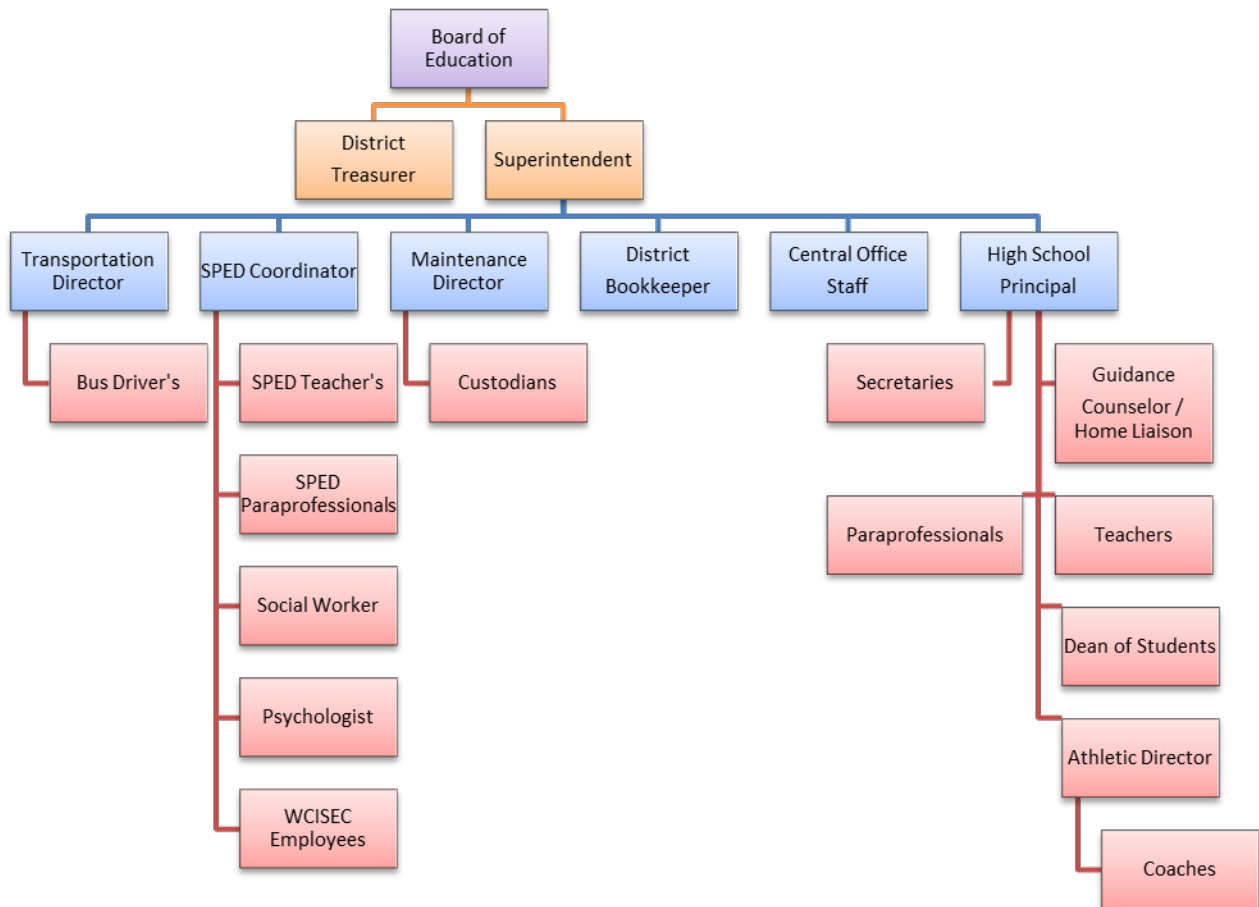

All visitors are required to enter through the main doors by the circle drive. All visitors must report to the office before going elsewhere in the building. They will be issued a Visitor's Pass which must be displayed prominently while in the building. If a visitor is encountered in the building that does not have a Visitor's Pass, please escort the individual to the main office or contact the main office to alert them of the individual's presence.

Chain of Command

The Superintendent shall develop an organizational chart indicating the channels of authority and reporting relationships for school personnel. These channels should be followed, and no level should be bypassed except in unusual situations.

*All personnel should refer matters requiring administrative action to the responsible administrator, and may appeal a decision to a higher administrative officer. Whenever possible, each employee should be responsible to only one immediate supervisor. When this is not possible, the division of responsibility must be clear. **Bd Policy 3:30***

The Superintendent will send each Board member a copy of the request and place the matter on the Board agenda.

Conduct Standards

Professional and ethical behavior is expected of all District staff members. The standards listed below serve as a notice of expected conduct. The standards are intended to protect the health, safety, and general welfare of students and employees, ensure the community a degree of accountability within the School District, and define misconduct justifying disciplinary action. The listed standards are not a complete list of expectations and, depending on the factual context, an employee may be disciplined for conduct that is not specifically listed. The conduct standards apply to all District employees to the extent they do not conflict with an applicable collective bargaining agreement; in the event of a conflict, the provision is severable and the applicable bargaining agreement will control.

All school employees shall:

1. *Exhibit positive examples of preparedness, punctuality, attendance, self-control, language, and appearance.*
2. *Exemplify honesty and integrity. Violations of this standard include but are not limited to falsifying, misrepresenting, omitting, or erroneously reporting the professional qualifications of oneself or another individual or information submitted in connection with job duties or during the course of an official inquiry/investigation.*
3. *Maintain a professional relationship with all students, both in and outside the school. Violations of this standard include but are not limited to: (a) committing any act of child abuse or cruelty to children; (b) engaging in harassing behavior; (c) soliciting, encouraging, or consummating an inappropriate written, verbal, or physical relationship with a student; and (d) furnishing tobacco, alcohol, or illegal/unauthorized substance to any student or allowing a student under his or her supervision to consume alcohol or an illegal/unauthorized substance.*
4. *Maintain a safe and healthy environment, free from harassment, intimidation, bullying, substance abuse, and violence, and free from bias and discrimination. Violations of this standard include but are not limited to: (a) using alcohol or illegal or unauthorized substances when on school property or at school-sponsored events, or whenever engaged in job responsibilities; (b) failing to report suspected cases of child abuse or neglect, or of gender harassment; and (c) tolerating student-on-student bullying or harassment.*

5. *Honor the public trust when entrusted with public funds and property by acting with a high level of honesty, accuracy, and responsibility. Violations of this standard include but are not limited to: (a) misusing public or school-related funds; (b) failing to account for funds collected from students or parents/guardians; (c) submitting fraudulent requests for reimbursement of expenses or for pay; (d) commingling District or school funds with personal funds or checking accounts; and (e) using school property without the approval of the supervising school official.*
6. *Maintain integrity with students, colleagues, parents/guardians, community members, and businesses concerning business dealings and when accepting gifts and favors. Violations of this standard include but are not limited to soliciting students or parents/guardians to purchase supplies or services from the employee or to participate in activities that financially benefit the employee without fully disclosing the interest.*
7. *Respect the confidentiality of student and personnel records, standardized test material, and other information covered by confidentiality agreements. Violations of this standard include but are not limited to: (a) disclosing confidential information concerning student academic and disciplinary records, health and medical information, family status and/or income, and assessment/testing results, unless disclosure is required or permitted by law; and (b) disclosing confidential information restricted by State or federal law.*

Conviction of any employment disqualifying criminal offense listed in Section 10-21.9 of The Illinois School Code will result in dismissal.

*Before disciplinary action is taken, the supervisor will conduct a fair and objective investigation to determine whether the employee violated a standard or other work rule and the extent that any violation impacts educational or operational activities, effectiveness, or efficiency. Discipline must be appropriate and reasonably related to the seriousness of the misconduct and the employee's record. Any applicable provision in a contract, bargaining agreement, or State law will control the disciplinary process. **Bd Policy 5:120-AP2***

Seeking Permission to Copy or Use Copyrighted Works

The following resources are a partial list of where to begin searching for permission to copy or use copyrighted work. Whenever it is unclear who the owner is, or if the owner is a legal entity of some kind (a business or organization), be sure that the person granting permission is authorized to do so. Once it is known whom to ask, initiate contact by writing a letter, calling, or emailing. Seek written permission that clearly describes its scope. (See Board Policy 5:170E – Exhibit – Request to Reprint Material). Document the receipt of an oral permission and send the owner a confirming letter. A copyright protects materials regardless of whether the owner cares about protection or not. Thus, if required permission cannot be obtained, the work may not be used.

Counselor

The guidance counselor is available to meet with students who are having emotional, psychological or any other type of problem that interferes with school success. They welcome referrals from staff.

Community Outreach Liaison

The Community Outreach Liaison provides support to the instructional program with specific responsibilities for providing information on programs/services available to at risk and first generation college students and families as well as school and/or district activities and procedures; referring families to other agencies; and fostering an ongoing partnership between the home and school.

Learning Center

The focus of the IWHS alternative learning center (located in the East hallway) is to provide an alternative educational environment for students in grades 9-12 who are chronically disruptive, returning from an alternative school setting, or are in need of credit recovery. Illini West will use the following guidelines on placement. The administration will make the final decision on all ALC placement. 1. To provide an opportunity for students to recover credits toward graduation. 2. To provide an alternate place for students having behavioral difficulties in the regular classroom and school setting. 3. Students who are enrolling at IWHS from an alternative school, will be required to enroll in the ALC for a minimum of one semester, before a determination will be made by administration on re-entering the regular school system.

Daily Announcements

A daily announcement will be posted each morning on the District web site (www.illiniwest.org). Information for the announcements must be given to the office secretary by 3:30 p.m. the day before. The activity sponsor must give their permission in writing before it will be included in the daily announcements. The announcements will be read daily over the PA system. It is the responsibility of all staff to make sure students are able to hear the announcements being read. No other announcements will be made during the day unless it is absolutely necessary. Classes should not be interrupted for any unnecessary announcements.

Dress Standards

All employees represent Illini West High School District #307 through their appearance, behavior and work. Research reveals that the clothing worn by staff members affects the work, attitude, and discipline of students. Employees dress for four main effects:

1. Respect
2. Credibility
3. Acceptance
4. Authority

“The effective staff member uses these four traits as assets in relating to students, peers, administrators, parents, and the community. If you have these four traits, you have a much greater chance of influencing young people to learn than someone who lacks these traits. Clothing does not make a person, but it can be a contributing factor in unmaking a person. Whether we want to admit, our appearance affects how we are perceived and received in definite ways. Clothing has nothing to do with students liking a staff member.

But, clothing definitely has an effect on students' respect for a staff member, and respect is what a staff member must have if learning is to take place." Harry Wong – "How to Dress for Success"

Drug- and Alcohol-Free Workplace

The Superintendent or designee shall manage a process for responding to inquiries by a prospective employer concerning a current or former employee's job performance. The Superintendent shall execute the requirements in the Abused and Neglected Child Reporting Act whenever another school district asks for a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS.

When requested for information about an employee by an entity other than a prospective employer, the District will only confirm position and employment dates unless the employee has submitted a written request to the Superintendent or designee.

Please refer to the applicable collective bargaining agreements.

For employees not covered by a current applicable bargaining agreement:

The Superintendent or designee shall manage the maintenance of personnel records in accordance with State and federal law and School Board policy. Records, as determined by the Superintendent, are retained for all employment applicants, employees, and former employees given the need for the District to document employment-related decisions, evaluate program and staff effectiveness, and comply with government recordkeeping and reporting requirements. Personnel records shall be maintained in the District's administrative office, under the Superintendent's direct supervision.

Access to personnel records is available as follows:

- 1. An employee will be given access to his or her personnel records according to State law and guidelines developed by the Superintendent.*
- 2. An employee's supervisor or other management employee who has an employment or business-related reason to inspect the record is authorized to have access.*
- 3. Anyone having the respective employee's written consent may have access.*
- 4. Access will be granted to anyone authorized by State or federal law to have access.*

*All other requests for access to personnel information are governed by Board policy 2:250, Access to District Public Records. **Bd Policy 5:50***

E-Mail

E-mail messages should be carefully composed and should not contain material which would be inappropriate in a written letter or memorandum. Careless or inappropriate statements could ultimately be embarrassing and detrimental to the sender and to the District.

E-mail messages should be limited to District-related and education-related purposes. Messages carried over the District's e-mail system are the property of the District. The administration reserves the right to intercept and review, as needed, any message carried on e-mail systems under the control of the District.

Inappropriate content in e-mail messages will not be tolerated by the District and may lead to disciplinary actions up to and including termination. Some areas of the organization are subject to having all their e-mail traffic monitored. This is to ensure that our legal obligations are met. Employees should not send, reply, or forward "chain letters" or other unsolicited e-mail messages that are received from outside sources. Any e-mail of this nature should be deleted.

Email Retention

Email, including attachments, which are sent or received by the District or District employees may be, depending on their content, subject to disclosure under the Freedom of Information Act and/or discovery in litigation as evidence in support of a claim. Employees must use the same standards of judgment, propriety, and ethics with email as they do with other forms of school business-related communications.

Accordingly, employees have the same responsibilities for email messages as they do for any other communication and must distinguish between record and non-record messages. This allows for the proper storage or disposal of email. However, no District record, no matter its form, may be destroyed if it is

subject to a litigation hold. See administrative procedure 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. For guidance on Board member use and retention of email, see 2:140-E, *Guidance for Board Member Communications, Including Email Use*.

Non-Record Messages

Email messages are “non-record messages” if they do not evidence the District’s organization, function, policies, procedures, or activities; or contain informational data appropriate for preservation. These are generally informal or preliminary drafts, notes, recommendations, or memoranda that do not contain official action. Examples include:

1. Personal correspondence not received or created in the course of District or school business, such as, “What’s for dinner?” or “I’ll be glad to drive to the meeting.”
2. Notices concerning meetings or workshops, dates, discussion topics, and material to prepare for or to be discussed during a meeting.
3. Publications or promotional material from vendors and similar materials that are available to anyone.
4. Correspondence containing recommendations or opinions that are preliminary to a decision.
5. Informal correspondence to parents/guardians concerning school activities or an individual student’s progress or assignments provided the messages do not contain notice of final or official action.
6. Draft material.

If the email is a “non-record message,” the employee should delete it as soon as its purpose is fulfilled unless the email is subject to a litigation hold. The goal is to control excessive accumulation of material.

Official Record Messages

Email messages are “official record messages” if they are evidence of the District’s organization, function, policies, procedures, or activities or contain informational data appropriate for preservation. Examples include:

1. Policy documents or contract related documents.
2. Correspondence, e.g., letters, memos, emails from individuals, companies, or organizations requesting information about the District or school policies or practices and the responses to these requests.
3. Project reports.
4. Correspondence dealing with significant aspects of District administration or a school executive office, including messages containing information concerning policies, programs, fiscal and personnel matters, and contracts.

Official record messages should routinely be transferred to the records maintenance location identified by the Records Custodian or Head of Information Technology (IT). Before transferring the message, the employee should identify it as belonging in one of the categories of records established by the Record Custodian or Head of IT. Once transferred, it becomes the official copy and the original electronic version may be deleted according to the District’s approved record preservation and retention schedule. **Bd Policy 5:130-AP**

Equal Employment Opportunity and Minority Recruitment

The School District shall provide equal employment opportunities to all persons regardless of their race, color, creed, religion, national origin, sex, sexual orientation, age, ancestry, marital status, arrest record, military status order of protection status, unfavorable military discharge, citizenship status provided the individual is authorized to work in the United States, use of lawful products while not at work, being a victim of domestic or sexual violence, genetic information, physical or mental handicap or disability, if otherwise able to perform the essential functions of the job with reasonable accommodation, pregnancy, childbirth, or related medical conditions; credit history, unless a satisfactory credit history is an established bona fide occupational requirement of a particular position, or other legally protected categories. No one will be

penalized solely for his or her status as a registered qualifying patient or a registered designated caregiver for purposes of the Compassionate Use of Medical Cannabis Pilot Program Act, 410 ILCS 130/.

Persons who believe they have not received equal employment opportunities should report their claims to the Nondiscrimination Coordinator and/or a Complaint Manager for the Uniform Grievance Procedure. These individuals are listed below. No employee or applicant will be discriminated or retaliated against because he or she: (1) requested, attempted to request, used, or attempted to use a reasonable accommodation as allowed by the Illinois Human Rights Act, or (2) initiated a complaint, was a witness, supplied information, or otherwise participated in an investigation or proceeding involving an alleged violation of this policy or State or federal laws, rules or regulations, provided the employee or applicant did not make a knowingly false accusation nor provide knowingly false information.

1. Administrative Implementation

The Superintendent shall appoint a Nondiscrimination Coordinator for personnel who shall be responsible for coordinating the District's nondiscrimination efforts. The Nondiscrimination Coordinator may be the Superintendent or a Complaint Manager for the Uniform Grievance Procedure. The Superintendent shall insert into this policy the names, addresses, and telephone numbers of the District's current Nondiscrimination Coordinator and Complaint Managers.

The Superintendent shall also use reasonable measures to inform staff members and applicants that the District is an equal opportunity employer, such as, by posting required notices and including this policy in the appropriate handbooks.

2. Minority Recruitment

The District will attempt to recruit and hire minority employees. The implementation of this policy may include advertising openings in minority publications, participating in minority job fairs, and recruiting at colleges and universities with significant minority enrollments. This policy, however, does not require or permit the District to give preferential treatment or special rights based on a protected status without evidence of past discrimination.

Bd Policy 5:10

Ethics

1. Professional and Appropriate Conduct

All District employees are expected to maintain high standards in their school relationships, to demonstrate integrity and honesty, to be considerate and cooperative, and to maintain professional and appropriate relationships with students, parents, staff members, and others. Any employee who sexually harasses a student or otherwise violates an employee conduct standard will be subject to discipline up to and including dismissal.

Ethics and Gift Ban

Prohibited Political Activity

The following precepts govern political activities being conducted by District employees and Board members:

- 1. No employee shall intentionally perform any "political activity" during any "compensated time," as those terms are defined herein.*
- 2. No Board member or employee shall intentionally use any District property or resources in connection with any political activity.*
- 3. At no time shall any Board member or employee intentionally require any other Board member or employee to perform any political activity: (a) as part of that Board member's or employee's duties, (b) as a condition of employment, or (c) during any compensated time off, such as, holidays, vacation, or personal time off.*
- 4. No Board member or employee shall be required at any time to participate in any political activity in consideration for that Board member or employee being awarded additional compensation or any benefit, whether in the form of a salary adjustment, bonus, compensatory time off, continued employment or otherwise; nor shall any Board member or employee be awarded additional compensation or any benefit in consideration for his or her participation in any political activity.*

A Board member or employee may engage in any activity that: (1) is otherwise appropriate as part of his or her official duties, or (2) is undertaken by the individual on a voluntary basis that is not prohibited by this policy.

Limitations on Receiving Gifts

Except as permitted by this policy, no Board member or employee, and no spouse of or immediate family member living with a Board member or employee shall intentionally solicit or accept any "gift" from any "prohibited source," as those terms are defined herein, or that is otherwise prohibited by law or policy. No prohibited source shall intentionally offer or make a gift that violates this policy.

The following are exceptions to the ban on accepting gifts from a prohibited source:

1. *Opportunities, benefits, and services that are available on the same conditions as for the general public.*
2. *Anything for which the Board member or employee, or his or her spouse or immediate family member, pays the fair market value.*
3. *Any: (a) contribution that is lawfully made under the Election Code, or (b) activities associated with a fundraising event in support of a political organization or candidate.*
4. *Educational materials and missions.*
5. *Travel expenses for a meeting to discuss business.*
6. *A gift from a relative, meaning those people related to the individual as father, mother, son, daughter, brother, sister, uncle, aunt, great aunt, great uncle, first cousin, nephew, niece, husband, wife, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half-brother, half-sister, and including the father, mother, grandfather, or grandmother of the individual's spouse and the individual's fiancé or fiancée.*
7. *Anything provided by an individual on the basis of a personal friendship unless the recipient has reason to believe that, under the circumstances, the gift was provided because of the official position or employment of the recipient or his or her spouse or immediate family member and not because of the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the recipient shall consider the circumstances under which the gift was offered, such as: (a) the history of the relationship between the individual giving the gift and the recipient of the gift, including any previous exchange of gifts between those individuals; (b) whether to the actual knowledge of the recipient the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift; and (c) whether to the actual knowledge of the recipient the individual who gave the gift also at the same time gave the same or similar gifts to other Board members or employees, or their spouses or immediate family members.*
8. *Food or refreshments not exceeding \$75 per person in value on a single calendar day; provided that the food or refreshments are: (a) consumed on the premises from which they were purchased or prepared; or (b) catered. 9. *Food, refreshments, lodging, transportation, and other benefits resulting from outside business or employment activities (or outside activities that are not connected to the official duties of a Board member or employee), if the benefits have not been offered or enhanced because of the official position or employment of the Board member or employee, and are customarily provided to others in similar circumstances.*
10. *Intra-governmental and inter-governmental gifts. "Intra-governmental gift" means any gift given to a Board member or employee from another Board member or employee, and "inter-governmental gift" means any gift given to a Board member or employee from an officer or employee of another governmental entity.*
11. *Bequests, inheritances, and other transfers at death.*
12. *Any item or items from any one prohibited source during any calendar year having a cumulative total value of less than \$100.*

Each of the listed exceptions is mutually exclusive and independent of every other.

A Board member or employee, his or her spouse or an immediate family member living with the Board member or employee, does not violate this policy if the recipient promptly takes reasonable action to return a gift from a prohibited source to its source or gives the gift or an amount equal to its value to an appropriate charity that is exempt from income taxation under Section 501(c)(3) of the Internal Revenue Code.

Enforcement

The Board President and Director shall seek guidance from the Board attorney concerning compliance with and enforcement of this policy and State ethics laws. The Board may, as necessary or prudent, appoint an Ethics Advisor for this task.

Written complaints alleging a violation of this policy shall be filed with the Director or Board President. If attempts to correct any misunderstanding or problem do not resolve the matter, the Director or Board President shall, after consulting with the Board attorney, either place the alleged violation on a Board meeting agenda for the Board's disposition or refer the complainant to Board policy 2:260, Uniform Grievance Procedure. A Board member who is related, either by blood or by marriage, up to the degree of first cousin, to the person who is the subject of the complaint, shall not participate in any decision-making capacity for the Board. If the Board finds it more likely than not that the allegations in a complaint are true, it shall notify the State's Attorney and/or consider disciplinary action for the employee.

Expenses

The Board regulates the reimbursement of all travel, meal, and lodging expenses by resolution. Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the employee, (2) anyone’s personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event. Employees must submit the appropriate itemized, signed, standardized form(s) to support any requests for expense advancements, reimbursements, or purchase orders that show the following:

Advancements

The Superintendent may advance expenses to teachers and other licensed employees for the anticipated actual and necessary expenses to be incurred while attending meetings that are related to their duties and will contribute to their professional development, provided they fall below the maximum allowed in the Board’s expense regulations.

Expense advancement requests must be submitted to the Superintendent or designee on the District’s standardized estimated expense approval form for employees. After spending expense advancements, employees must use the District’s standardized expense reimbursement form and submit to the Superintendent: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. Any portion of an expense advancement not used must be returned to the District. Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursements and purchase orders may be issued by the Superintendent or designee to employees, along with other expenses necessary for the performance of their duties, provided the expenses fall below the maximum allowed in the Board’s expense regulations.

Expense reimbursements and purchase order approvals are not guaranteed and, when possible, employees should seek pre-approval of expenses by providing an estimation of expenses on the District’s standardized estimated expense approval form for employees, except in situations when the expense is diminutive. Religious Holidays

The Superintendent shall grant an employee's request for time off to observe a religious holiday if the employee gives at least five days' prior notice and the absence does not cause an undue hardship.

Employees may use earned vacation time, or personal leave to make up the absence, provided such time is consistent with the District's operational needs. A per diem deduction may also be requested by the employee.

Bd Policy 5:70

Residence of Employees

Where an employee resides will have no bearing on their duties and responsibilities.

RTI Team

The purpose of RTI is to identify students who may need help for school success. All faculty and staff are encouraged to advise the Core Team about any concern they have for a student. The steps involved in the RTI Program include identification, assessment, intervention, referral, and follow up. The Core Team includes: High School Principal, Counselor, Social Worker, Dean of Students, Outreach Liaison and two teachers to be appointed by the Principal.

School Visitation Leave

Eligible employees

These administrative procedures apply to both professional staff and educational service personnel. An employee is eligible for a school visitation leave if he or she has worked for the District at least 6 consecutive months immediately before the request and works at least one-half of the full-time equivalent position. Periods when school is not in session will not count as a break in consecutive service.

School Conference and Activity Leave

An employee is entitled to 8 hours during any school year, no more than 4 hours of which may be taken on any given day, to attend school conferences or classroom activities related to the employee's child, if the conference or activity cannot be scheduled during non-work hours. Employees must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the employee, except sick and disability leave.

Request

An employee must request a school conference and activity leave in writing at least 7 days in advance; in an emergency situation, 24 hours notice is required. The employee must consult with the employer to schedule the leave so as to minimize disruption. A leave request may be denied if granting the leave would result in more than 5% of the work force, or work force shift, taking leave at the same time.

Compensation

A school visitation leave is unpaid. The District will attempt, however, to give the employee the opportunity to make-up the time taken for such a leave. The employee taking a visitation leave will not lose any benefits.

Verification

*An employee returning from a school visitation leave must provide the Building Principal with verification of the visitation from the school administrator of the school visited. Failure to provide this verification within 2 working days of the visitation will subject the employee to the standard disciplinary procedures for unexcused absences from work. **Bd Policy 5:250-AP***

Sexual Harassment

The School District expects the workplace environment to be productive, respectful, and free of unlawful harassment. District employees shall not engage in harassment or abusive conduct on the basis of an individual's race, religion, national origin, sex, sexual orientation, age, citizenship status, disability, or other protected status identified in Board policy 5:10, Equal Employment Opportunity and Minority Recruitment. Harassment of students, including, but not limited to, sexual harassment, is prohibited by Board policy 7:20, Harassment of Students Prohibited.

Sexual Harassment Prohibited

The School District shall provide a workplace environment free of unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct, or communications constituting harassment on the basis of sex as defined and otherwise prohibited by State and federal law.

District employees shall not make unwelcome sexual advances or request sexual favors or engage in any unwelcome conduct of a sexual nature when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment. Sexual harassment prohibited by this policy includes verbal or physical conduct. The terms intimidating, hostile, or offensive include, but are not limited to, conduct that has the effect of humiliation, embarrassment, or discomfort. Sexual harassment will be evaluated in light of all the circumstances.

Making a Complaint: Enforcement

A violation of this policy may result in discipline, up to and including discharge. Any person making a knowingly false accusation regarding harassment will likewise be subject to disciplinary action, up to and including discharge. An employee's employment, compensation, or work assignment shall not be adversely affected by complaining or providing information about harassment. Retaliation against employees for bringing bona fide complaints or providing information about harassment is prohibited (see Board policy 2:260, Uniform Grievance Procedure).

Aggrieved persons, who feel comfortable doing so, should directly inform the person engaging in harassing conduct or communication that such conduct or communication is offensive and must stop.

Employees should report claims of harassment to the Nondiscrimination Coordinator and/or use the Board policy 2:260, Uniform Grievance Procedure. Employees may choose to report to a person of the employee's same sex. There are no express time limits for initiating complaints and grievances under this policy; however, every effort should be made to file such complaints as soon as possible, while facts are known and potential witnesses are available.

Sick Leave Bank

*A. Purpose of the Bank The intent of this Voluntary Sick Leave Bank is to provide extended sick leave benefits to those staff members who have suffered a catastrophic (unexpected/dire) event and personally incur a period of extended illness, injury, or hospitalization. In some cases, the Voluntary Sick Leave Bank may be used in catastrophic or emergency care of spouse, parent, or child. It is **not** the purpose of this plan to provide additional days to staff who have exhausted their accumulated sick leave and are applying for additional sick days; therefore, short-term illnesses are **not** subject to the use of the following Voluntary Sick Leave Bank provisions.*

B. Eligibility and Membership

All full-time employees, administrators and staff of District #307 are eligible for the Voluntary Sick Leave Bank.

C. Operation of the Bank

Each full-time employee, upon joining the bank, will voluntarily donate one day to the Sick Leave Bank per year. Members who have joined and donated two days in previous years will not need to donate until the 2019-2020 school year if they want to remain in the bank since they have already donated two days to join the bank. The maximum number of days in the bank will be one hundred eighty (180) days. When the maximum of one hundred eighty (180) days is reached, only new members plus those who have used the Bank the previous year(s) will be assessed.

The last day to join the Sick Leave Bank shall be two weeks after the start of the school year, or if a full-time hire occurs during the course of the year, within two weeks of hire.

Requests will be forwarded to the governing committee for approval. Such request must be accompanied by a doctor's verification. No member of the bank will be allowed to use more than (30) days from the Sick Leave Bank in any one (1) year. If there are any unused days in this Sick Leave Bank at the end of the school year, they will be carried over into the next school year.

Sick Leave Bank days cannot be used for Service Credit and are forfeited at Retirement.

D. Governing Committee Two teachers, selected by the Association on staggering terms not to exceed two years; a non-certified employee chosen by the non-certified employees; and two administrators, appointed by the Board, shall act as the governing Committee in all matters that concern policies of use of the Volunteer Sick Leave Bank. The following are minimal criteria for use of sick day leaves:

- 1. The employee must have a catastrophic event, serious illness, pregnancy-related emergency, or serious/extensive injury.*
- 2. A doctor's statement.*
- 3. A written request for the estimated number of days required.*

E. How to Use the Bank

A full-time employee, who has contributed to the bank, will be eligible for Volunteer Sick Leave Bank benefits after using up all personally accumulated sick leave, and making written application to the committee. An employee or designated representative of the employee shall contact the governing committee, in writing, five (5) days prior to the need. The decision of the committee is final, and as this is employee conducted, is not grievable

Solicitations By or From Staff

District employees shall not solicit donations or sales, nor shall they be solicited for donations or sales, on school grounds without prior approval from the Superintendent.

Bd Policy 5:140

An employee shall not permit any commercial advertisements to be read or distributed, give a list of names of students to any commercial advertiser, and collect any contributions of money from students unless it directly pertains to necessary school work. Special exceptions may be made with authorization of the Superintendent or Board of Education.

Staff Development Program

The Superintendent or designee shall implement a staff development program. The goal of such program shall be to update and improve the skills and knowledge of staff members in order to achieve and maintain a high level of job performance and satisfaction. Additionally, the development program for licensed staff members shall be designed to effectuate the District and School Improvement Plans so that student learning objectives meet or exceed goals established by the District and State.

The staff development program shall provide, at a minimum, at least once every 2 years, the in-service training of licensed school personnel and administrators on current best practices regarding the identification and treatment of attention deficit disorder and attention deficit hyperactivity disorder, the application of non-aversive behavioral interventions in the school environment, and the use of psychotropic or psychostimulant medication for school-age children.

6. *Education for staff instructing students in grades 7 through 12, concerning teen dating violence as recommended by the District's Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students or Complaint Manager.*
7. *Ongoing professional development for teachers, administrators, school resource officers, and staff regarding the adverse consequences of school exclusion and justice-system involvement, effective classroom management strategies, culturally responsive discipline, and developmentally appropriate disciplinary methods that promote positive and healthy school climates.*
8. *Annual continuing education and/or training opportunities (professional standards) for school nutrition program directors, managers, and staff. Each school food authority's director shall document compliance with this requirement by the end of each school year and maintain documentation for a three year period.*
9. *All high school coaching personnel, including the head and assistant coaches, and athletic directors must obtain online concussion certification by completing online concussion awareness training in accordance with 105 ILCS 25/1.15. Coaching personnel and athletic directors hired before 8-18-2014 must be certified by 8-19-2015; if hired on or after 8-19-2014, they must be certified before their position's start date.*
10. *The following individuals must complete concussion training as specified in the Youth Sports Concussion Safety Act: coaches and assistant coaches (whether volunteer or employee) of an interscholastic athletic activity; nurses serving on the Concussion Oversight Team; athletic trainers; game officials of an interscholastic athletic activity; and physicians serving on the Concussion Oversight Team. Individuals covered by this training mandate were to initially complete the training by 9-1-16.*
11. *Every two years, school personnel who work with students must complete an in-person or online training program on the management of asthma, the prevention of asthma symptoms, and emergency response in the school setting.*

The Superintendent shall develop protocols for administering youth suicide awareness and prevention education to staff consistent with Board policy 7:290, Suicide and Depression Awareness and Prevention.

An opportunity shall be provided for all staff members to acquire, develop, and maintain the knowledge and skills necessary to properly administer life-saving techniques and first aid, including the Heimlich maneuver, cardiopulmonary resuscitation, and the use of an automated external defibrillator, in accordance with a nationally recognized certifying organization. Physical fitness facilities' staff must be trained in cardiopulmonary resuscitation and use of an automated external defibrillator.

All District-sponsored staff development programs, including in-services, shall be approved by the Superintendent. Staff development opportunities exist through the following:

- A. Planned in-service programs, courses, seminars, and workshops are offered within the District. Every staff member is encouraged to suggest topics, formats, and speakers for in-service meetings. Suggestions should be given to the Superintendent or any member of the advisory committee if one exists.

In the event of consideration of a reduction in force for non-certified staff, notice shall be provided to the union and the effected employee(s) at least thirty (30) days before the employee is removed or dismissed.

Stipend Payment Procedures

District Employees – Hired Prior to Start of School Year

Any stipend to which the employee is entitled and has been hired for prior to July 1st will be paid over 12 months starting with the September payroll, subject to the provisions of the employee's Section 409-A Election (see "Payday/Paychecks" section).

Head Coaches – Out of District

A head coach who is not employed by Illini West High School District in a staff position other than coaching will receive their stipend after the athletic season for the sport they are coaching is over pending inventory information being turned in to the Athletic Director's Office. The Athletic Director will authorize payment by contacting the Superintendent's Office.

Assistant Coaches – Out of District

An assistant coach who is not employed by Illini West High School District in a staff position other than coaching will receive their stipend on the first pay day following the end of the athletic season for the sport they are coaching.

Student Activity Accounts

Each sponsor is responsible for all money handled.

All funds are deposited into the Student Activity Fund by completing a Deposit Form (posted on District Web Site) and turning the funds and form in to the high school office. Money should not be kept in the classroom. Students should not be counting any money unless approved by the building principal. Students should not bring deposits to the office – rather they should be delivered by a staff member. A safe is available in the high school office to store funds overnight if not ready for deposit. All monies collected must be turned in to the Activity Account and may not be used for any purchases. Teachers/Sponsors or organization student officers should be the only people filling out a deposit slip. Any money that is to be deposited needs to be turned into the high school office by 2:00 PM each day. No funds may be kept to use as petty cash or to pay invoices.

Advance approval of all fundraisers must be received from the School Board. A Fundraising Request Form (posted on the District Web site) must be completed and turned in to the principal 10 days prior to the next School Board meeting for inclusion on the agenda. A copy of the approved Fundraiser Request Form will be given to the sponsor following Board approval.

Expenditure of funds is initiated by submitting a completed Payment Order (posted on the District Web site) to the principal for approval. Each payment order must be signed by the sponsor and two student members of the organization. The payment order must also be accompanied by an invoice or receipt indicating the purpose of the expenditure and to whom payment should be made. Checks will typically be written once per week – usually on Tuesdays.

Sponsors will receive monthly statements indicating the receipt and disbursement of their account funds.

If the first person on the succession list is unavailable, the second person shall be the responsible person and so on in order through the list. The designated individual shall communicate with the School Board President in cases of importance and/or emergency. **Bd Policy 3:70 AP***

Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Licensed employees may be suspended without pay in accordance

Technology Repair

Any computer/technology problems should be reported by e-mail to the Technology Director. If the internet or e-mail is not accessible, the problem should be reported by either a handwritten note or phone call to the office explaining the problem.

Telephones/ Cell Phones

There is a telephone in every classroom. Its primary purpose is to facilitate communication between the office and classrooms. The phones are to be used by staff only. Staff members and teachers are to check their voicemail before school, during preparation time, during lunch and after school. The capacity to make phone calls out of the building will be turned on at the end of every school day. Phones may be used to call 911 at any time. All long distance calls must be made from the administrative offices. **Staff members and teachers may only use personal cell phones during duty free times (before school, preparation time, lunch time, break time, after school).** Staff members should not use their personal cell phones during class time.

Temporary Illness or Temporary Incapacity

A temporary illness or temporary incapacity is an illness or other capacity of ill-being that renders an employee physically or mentally unable to perform assigned duties. During such a period, the employee can use accumulated sick leave benefits. However, income received from other sources (worker's compensation, District-paid insurance programs, etc.) will be deducted from the District's compensation liability to the employee. The School Board's intent is that in no case will the employee, who is temporarily disabled, receive more than 100 percent of their gross salary.

Those insurance plans privately purchased by the employee and to which the District does not contribute, are not applicable to this policy.

If illness, incapacity, or any other condition causes a teacher or other licensed employee to be absent in one school year, after exhaustion of all available leave, for more than 90 consecutive work days, such absence may be considered a permanent disability and the Board may begin dismissal proceedings subject to State and federal law, including the Americans with Disabilities Act. The Superintendent may recommend this paragraph's use when circumstances strongly suggest that the teacher or other licensed employee returned to work intermittently in order to avoid this paragraph's application. This paragraph shall not be considered a limitation on the Board's authority to take any action concerning an employee that is authorized by State and federal law.

Any employee may be required to have an examination, at the District's expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the authority by his or her supervisor to perform health examinations if the examination is job-related and consistent with business necessity.

Bd Policy 5:180

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this procedure, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this procedure may forego any informal suggestions and/or attempts to resolve it and may proceed directly to the grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parents/guardians); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed hereunder shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this procedure may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, a school business day means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For bullying and cyber-bullying, the Complaint Manager shall process and review the complaint according to Board policy 7:180, Prevention of and Response to Bullying, Intimidation, and Harassment, in addition to any response required by this policy.

Investigation

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. If the Complainant is a student, under 18 years of age, the Complaint Manager will notify his or her parent(s)/guardian(s) that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law or this policy, or (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law or any collective bargaining agreement, or (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years or age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this procedure about the status of the investigation. Within 30 school business days of the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time. If a complaint of sexual harassment contains allegations involving the Superintendent, the written report shall be filed with the School Board, which will make a decision in accordance with Section 3 of this policy. The Superintendent will keep the Board informed of all complaints.

Decision and Appeal

Within 5 school business days after receiving the Complaint Manager's report, the Superintendent shall mail his or her written decision to the Complainant and the accused by first class U.S. mail as well as to the Complaint Manager. All decisions shall be based upon the preponderance of evidence standard.

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the School Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the School Board. Within 30 school business days, the School Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within 5 school business days of the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

This grievance procedure shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing Nondiscrimination Coordinator and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others. The Nondiscrimination Coordinator also serves as the District's Title IX Coordinator.

The Superintendent shall appoint at least one Complaint Manager to administer the complaint process in this policy. If possible, the Superintendent will appoint 2 Complaint Managers, one of each gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, addresses, and telephone numbers of the Nondiscrimination Coordinator and the Complaint Managers.

Guidelines for Investigating Complaints and Allegations of Misconduct

As a general rule, all complaints should be investigated, even when the complainant requests that nothing be done or is anonymous.

Step 1: Before the Investigation

- A. According to policy 2:260, Uniform Grievance Procedure, the Superintendent appoints at least two Complaint Managers, one of each gender. The District Complaint Manager investigates: (1) complaints filed under policy 2:260, Uniform Grievance Procedure, and (2) allegations of employee misconduct.*
- B. The appropriate Building Principal or designee investigates all allegations of student misconduct.*
- C. Anyone with a complaint or making an allegation of misconduct should be referred to the Complaint Manager or Building Principal without delay.*
- D. A Complaint Manager or Building Principal (hereafter referred to as “investigator”) will investigate all complaints or allegations of misconduct, except that, depending on the circumstances, the Superintendent may appoint a special investigator. An investigator should not have any involvement with the complainant or the alleged wrongdoer. The Superintendent will ensure that investigators have sufficient authority and resources, including access to the Board Attorney.*
- E. The investigator should provide a fair opportunity for both sides to be heard.*
- F. The investigator should begin by carefully reading the complaint. Next the investigator should review applicable School Board policies, administrative procedures and manuals, laws, regulations, and collective bargaining agreements.*
- G. The investigator should develop a plan, including:*
 - Witness list*
 - Order of interviews*
 - Questions for witnesses*
 - Physical evidence needed, e.g., records, documents, reports, photos, and letters*
- H. The investigator should make logistical arrangements, e.g., determine interview location and the need for photographs and/or a video or audio recording.*

Step 2: The Investigation

- A. Typically, interview the complainant first, next the subject of the investigation, and, finally, all witnesses. The following applies to all interviews:
- If possible, statements should be written, dated, and signed by the person being interviewed.
 - Ask open-ended questions and do not suggest answers to questions.
 - Record important details, essentially who, did what, to whom, when and how done and, if appropriate, why?
 - Be objective and nonjudgmental; do not prejudge an alleged wrongdoer's guilt. Never show outrage or dismay.
 - Ask for the names of any other witnesses.
 - Deal with emotional outbursts and anger by patiently explaining that details are needed for an accurate investigation.
 - If a witness cannot be interviewed, record the reason.
- B. While confidentiality should be maintained, do not make promises of confidentiality or anonymity. Only the Superintendent may promise confidentiality or anonymity.
- C. Keep the Superintendent informed, but do not discuss the investigation with Board members in order to avoid the appearance of prejudice or unfairness.
- D. Obtain copies of all necessary papers. Originals are not needed, but record how to get them.
- E. Collect physical evidence and photographs. Keep a record of when, and where, or from whom physical evidence was gathered.
- F. Document everything about the interview, including the person's demeanor, gestures, accuracy of memory, and overall credibility.
- G. During the investigation, keep the investigation file separate from personnel or student record files. In a subsequent hearing, the opposing side may be able to view the investigation file.

Step 3: Following the Investigation

- A. Report to the Superintendent or designee the investigation results, that is, the matters investigated, facts, conclusions, and recommendations. Prepare a written report if requested.
- Answer who, what, when, where, why, and how.
 - Factual findings are based on whether an incident's occurrence is more likely than not. Identify as many factual findings as possible to support a conclusion. In a "he said, she said" scenario, a decision can be based on the credibility of the parties and witnesses. Include in the report any findings that are inconclusive.
 - Make a determination regarding credibility of specific evidence, that is, how believable is it and why. Credible evidence is capable of belief by a reasonable person.
- B. Be prepared to testify as to the fairness of the investigation, the authenticity of the evidence, and the contents of the investigation report. **Bd Policy 2:260-AP**

Uniform Orders

Requests for Athletic Director approval of orders for athletic or other uniforms must be accompanied by a drawing and/or photograph of the proposed uniform, along with the signature of the head coach/sponsor of the sport/organization signifying their approval of the uniform design and color scheme.

Workmen's Compensation

Workman's Compensation is a system of benefits provided by law by the district at no cost to the employee to most workers who have job-related injuries or illnesses. Benefits are paid for injuries that are caused, in

whole or in part, by an employee's work. This may include the aggravation of a pre-existing condition, injuries brought on by the repetitive use of a part of the body, heart attacks, or any other physical problem caused by work. Benefits are paid regardless of fault.

If you suffer from a work-related injury or illness, you should take the following steps:

1. Get medical assistance. By law, your employer must pay for all necessary medical services required to cure or relieve the effects of the injury or illness. The employee may choose two physicians, surgeons, or hospitals. Where necessary, the employer must also pay for physical, mental, or vocational rehabilitation, within prescribed limits.
2. Notify your employer. You must notify your employer of the accidental injury or illness within 45 days, either orally or in writing. To avoid possible delays, it is recommended the notice also include your name, address, telephone number, Social Security number, and a brief description of the injury or illness. **Illini West High School District employees should report any accidental injury or illness immediately or as soon as practicable to the District Office at 217/357-9607.**
3. Learn your rights. Your employer is required by law to report accidents that result in more than three lost work days to the Industrial Commission. Once the accident is reported, you should receive a handbook that explains the law, benefits, and procedures. If you need a handbook, please call the Illinois Worker's Compensation Commission or go to the web site. If you must lose time from work to recover from the injury or illness, you may be entitled to receive weekly payments and necessary medical care until you are able to return to work that is reasonably available to you. It is against the law for an employer to harass, discharge, refuse to rehire or in any way discriminate against an employee for exercising his or her rights under the Workers' Compensation or Occupational Disease Acts. If you file a fraudulent claim, you may be penalized under the law.
4. Keep within the time limits. Generally, claims must be filed within three years of the injury or disablement from an occupational disease, or within two years of the last workers' compensation payment, whichever is later. Claims for pneumoconiosis, radiological exposure, asbestosis, or similar diseases have special requirements. Injured workers have the right to reopen their case within 30 months after an award is made if the disability increases, but cases that are resolved by a lump-sum settlement contract approved by the Commission cannot be reopened. Only settlements approved by the Commission are binding.

Professional Personnel

The Board of Education for Illini West High School District #307 and the Illini West High School Education Association have entered into a contract that establishes certain specified terms and conditions of employment for most Professional Personnel in the School District. As to the Professional Personnel covered by the IWHSEA contract, the IWHSEA contract shall govern in case of any conflict between the contract and the following provisions of the Staff Handbook.

Assemblies

Teachers with a class at the time of an assembly should follow these procedures:

1. Notice of an assembly will be communicated to the teachers and staff via a meeting, e-mail or announcement over the intercom.
2. Continue teaching class until notice of dismissal to the assembly is given.
3. Instruct students as to the nature of the assembly program.
4. Outline expectations of behavior during the assembly.
5. Proceed to the assembly with the class, once notice is given. (Students should not be allowed to go to their lockers, get drinks, go to the restroom, etc. on the way to the assembly.)
6. Attend the assembly with the class. At the assembly continue to monitor behavior of students. If needed - sit with your class.

Teachers who do not have a class should help monitor the hallway and then join the students and staff in the assembly.

Authority

Teachers shall be under the immediate direction of the Principal and or Dean of Students and subject to the general supervision of the superintendent. They shall always cooperate with the supervisor .

Classroom Supervision

Whenever it becomes necessary for a teacher to leave a room with pupils in it, arrangements must be made for a qualified adult to be present during the absence of the teacher. A classroom must be locked any time the teacher is not in it. Students should never be left unsupervised in a classroom. Do not leave any money, purses, or other valuables in any areas that are not secured. It is the responsibility of each teacher to take care of the articles, furniture and equipment in the classroom and shall report to the principal any damage done to school property. The desks and seats should be checked for damage and markings daily. Classrooms should be maintained in an orderly fashion. All doors and windows should be locked and computers shut down at the end of the day.

Course Syllabi

A course syllabus for each class should be submitted to the principal by September 1. Included in the syllabus should be:

- Goals and objectives for the course.
- Expectations for the course.
- How the grade for the course will be determined.

Maintaining Student Discipline

Maintaining an orderly learning environment is an essential part of each teacher's instructional responsibilities. A teacher's ability to foster appropriate student behavior is an important factor in the teacher's educational effectiveness. The Superintendent shall ensure that teachers, other certificated employees, and persons providing a student's related service: (1) maintain discipline in the schools as required in the School Code, and (2) follow the Board policies and administrative procedures on student conduct, behavior, and discipline.

When a student's behavior is unacceptable, the teacher should first discuss the matter with the student, if appropriate. If the unacceptable behavior continues, the teacher should consult with the Building Principal and/or discuss the problem with the parent(s)/guardian(s). A teacher may remove any student from the learning setting whose behavior interferes with the lessons or participation of fellow students. A student's removal must be in accordance with Board policy and administrative procedures.

Teachers shall not use disciplinary methods that may be damaging to students, such as ridicule, sarcasm, or excessive temper displays. Corporal punishment (including slapping, paddling, or prolonged maintenance of a student in physically painful positions, and intentional infliction of bodily harm) may not be used. Teachers may use reasonable force as needed to keep students, school personnel, and others safe, or for self-defense or defense of property.

Bd Policy 5:230

The purpose of discipline is to create an environment in which learning can take place. The way a well-managed classroom looks can vary greatly from teacher to teacher and situation to situation. However, in all cases the ultimate test is whether or not the learning environment is conducive to student success.

No discipline program can be successful without including the following:

- Students know and understand the rules.
- Consequences for breaking the rules are defined.
- The severity of the consequence matches the severity of the infraction.
- Consequences are enforced in a uniform manner.
- Students are treated with respect and dignity.

The following are some suggestions that may help in developing a successful disciplinary program.

- Allow the students to help develop the classroom rules and the consequences for failing to obey them.
- Although it is hard to do at times, do not take things personally. A great majority of the time students are not acting out against the teacher but rather a system in which they feel lost.
- Teach from bell to bell. Discipline problems rarely happen while class is being held.
- Make sure that students are not left unattended.
- Give students a fresh start after they have served the consequences of their actions.
- Follow the rules and consequences in the handbook.
- Remember, the goal is to create an environment in which students can learn, not to make them automatons.

Student Rights and Responsibilities

As stated by the U.S. Supreme Court, "a student's rights do not stop at the school house doors." In general terms, students at Illini West High School should be accorded the following rights when discipline is being imposed (the applicability of these listed rights will depend on the severity of the conduct involved and/or discipline imposed):

1. To know what the rules and regulations are.
2. To know what they are being accused of.
3. To present his/her point of view and/or exculpatory evidence.
4. To appeal a decision about the charges to a higher level.

5. To request a hearing on charges when the suspension or expulsion from school may be imposed and notice of any such formal hearing in front of the Board of Education or a Hearing Officer.
6. To have counsel at any formal hearing in front of the Board of Education or a Hearing Officer.
7. To have the charges or penalties removed from the record if the evidence demonstrated his/her innocence or non-involvement.

Furthermore, when student discipline is considered or imposed solely within the context of a student's participation in extra-curricular activities, the student's rights will be limited as provided by applicable Board and District Administration policy.

Along with the aforementioned rights, students also have the following responsibilities:

1. To become informed of, and adhere to, reasonable rules and regulations established by the Board of Education and implemented by administrators and teachers.
2. To respect the rights and individuality of others.
3. To refrain from libel, slanderous remarks, and unnecessary obscenity in verbal and written communications.
4. To dress and groom in a manner that meets reasonable standards of health, cleanliness, and safety
5. To be punctual and present.
6. To perform academically to the best of their ability.
7. To refrain from gross disobedience, misconduct, or behavior that materially and substantially disrupts the educational process.
8. To respect the reasonable exercise of authority by school administrators and teachers in maintaining discipline in the school and at school sponsored activities.

Discipline Procedures

The primary responsibility for classroom management is the teacher's. At the same time, one of the main duties of the principal and Dean of Students are to maintain a learning environment conducive to student success. The principal and Dean of Students are here to help teachers with their classroom management. Teachers may issue their own discipline consequences or may turn the discipline over to the office for handling.

If a teacher chooses to issue his/her own discipline consequences:

- The teacher should assign disciplinary action of before/after school or lunch detentions. The detention should not exceed sixty minutes before or after school. Students and parents should receive 24 hour notice of the detention. The notice should include the reason for the detention, and the date, time and place the detention is to be served.
- If misbehavior occurs while serving the detention, the punishment should be doubled.
- Failure to serve a detention should result in a doubling of the detention. Failure to serve two consecutively will result in a one day Out of School Suspension.

If a teacher chooses to have the office deal with the situation and issue discipline consequences:

- The teacher should complete a Student Discipline Report and submit it to the office by the end of the day.
- The Dean of Students will then discuss the problem with the student, assign the discipline consequences, and take such further action as dictated by the Student Handbook.

If a student must be removed from the classroom due to behavior, call the office to let the Dean of Students know to expect the student. If a student refuses to leave the classroom, call the Dean of Students, who will come and deal with the student. If the Dean of Students is not available the principal will deal with the student.

Disciplinary reports for tardies of individual students are the responsibility of the office. The Dean of Students will assign discipline in accordance with the Student Handbook.

Dues Deduction

Any teacher may, by written request, cause dues to a professional organization to be deducted from his or her salary. (This shall be limited to two organizations.)

Evaluation of Teachers

The purpose of teacher evaluation in Illini West High School District #317 is to improve the quality of instruction. In seeking this goal, the observation and evaluation of teacher performance is intended to identify the teacher's strengths and weaknesses, and to follow through on the steps designed to improve the teacher's performance.

Probationary Teachers

- A. One formal observation per semester followed by a written Summative Professional Practice Rating.
- B. The two formal observations will be conducted under the following guidelines:
 - 1. A pre-conference will be held prior to each formal observation. The Pre-Observation Information Sheet in Appendix A must be completed prior to each pre-conference. (Appendix A)
 - 2. Each observation will be held for an entire class period or pre-determined length of time.
 - 3. A post-conference will be held within ten school days after each formal observation. At the post conference each teacher will receive a written summary of the observation from the evaluator that includes strengths observed and suggestions for improvement.
- C. Second semester observation must be complete by February 15 of each year. The Final Summative Performance Evaluation Rating for 1st year probationary teachers must be complete by March 1 of each year. The Final Summative Performance Evaluation Rating for 2nd, 3rd, and 4th year probationary teachers must be complete by April 15 of each year.
- D. Probationary teachers will observe this process for the first four years of continuous full-time employment with the district or until tenure is granted.

Tenured Teachers

- A. One formal observation per year followed by a written Summative Professional Practice Rating.
- B. The formal observation will be conducted under the following guidelines:
 - 1. A pre-conference will be held prior to each formal observation. The Pre-Observation Information Sheet in Appendix A must be completed prior to each pre-conference.
 - 2. The observation will be held for an entire class period or pre-determined length of time.
 - 3. A post-conference will be held within ten school days after each formal observation. At the post conference each teacher will receive a written summary of the observation from the evaluator that includes strengths observed and suggestions for improvement.
- C. Observations must be complete by March 30 of each year. A Final Summative Performance Evaluation Rating for tenured teachers must be complete by May 1 of each year.
- D. Tenured teachers will undergo this process every other year beginning with the 2017-2018 school year.

A signed copy of each teacher's Final Summative Performance Evaluation Rating will be placed in each teacher's personnel file located in the District Office. Each teacher will receive a copy of the signed Final Summative Performance Evaluation Rating upon completion of the final evaluation conference.

If a staff member wishes to respond in writing to the content of the Final Summative Performance Evaluation Rating, the staff member must submit the response to the evaluator within ten school days of receipt of the Final Summative Performance Evaluation Rating. The response from the teacher will be attached to the original Final Summative Performance Evaluation Rating and kept in the teacher’s personnel file located in the District Office.

STUDENT GROWTH GUIDELINES

This plan was created to help teachers meet the requirements of the student growth component in the teacher evaluation process. This guide will give teachers a comprehensive view of the complete teacher evaluation process.

OVERVIEW OF ASSESSMENTS AND GROWTH MODELS TO BE USED

Each educator must use at least two assessments, according to state law. The educators in Illini West will be allowed to use more than two assessments; however, for the student growth collection process, each educator will be limited to two assessments.

- A. Student growth (25%) will be measured using the *Simple Growth Model, for Type III assessments*. In this manner, a pre-test will be given to determine base line data for growth. All teachers will be evaluated on the total population (students in their classes) being tested, according to the criteria below.

- o 80% of students scoring a *75% or higher* on the pre-test, will increase their scores halfway to 100%: (Examples below)

Pre-Test Score	Goal	Post-Test Score	Growth	EX, MEETS, DOES NOT MEET
76	88 (+12)	89	+13	EXCEEDS
84	92 (+8)	86	+2	DOES NOT MEET
90	95 (+5)	95	+5	MEETS

- o 80% of students scoring a *74% or lower* on the pre-test, will increase their score 10% (Examples below)

Pre-Test Score	Goal	Post-Test Score	Growth	EX, MEETS, DOES NOT MEET
73	83 (+10)	71	- 2	DOES NOT MEET
66	76 (+10)	81	+15	EXCEEDS
15	25 (+10)	35	+10	MEETS

- B. Student growth (5%) will be measured using the *Simple Growth Model, for Type I assessments*. In this manner, a pre-test will be given to determine base line data for growth. All teachers will be evaluated on the total population of 9th, 10th, and 11th grade students being tested, using the Scholastic Reading Inventory test using simple growth from Pre to Post test.

ASSESSMENT SELECTION PROCESS

Type I, Type II, and Type III assessments will be chosen and approved by the building level team, grade level teams, or curricular area departments in collaboration with the building administration. Each teacher’s Type III assessment will be approved by curricular area departments in collaboration with administration using the Assessment Rubric in Appendix B. The Type I assessment will count for 5% of the Summative Student Growth Rating. The Type III assessment will count for 25% of the Summative Student Growth

Rating. The following timeline will be used to administer each of the benchmark assessments. If a student misses the six week window at the beginning of the year, the teacher (at his/her discretion) may allow students to be tested after the pre-test window is closed.

The evaluation process will follow the Illini West High School District Teacher Evaluation Plan with Student Growth Component, established in cooperation between the School District and the teachers' representatives.

The building principal or a qualified administrator will do all evaluations and observations.

- If a staff member should receive an unsatisfactory rating in the summative evaluation report, a plan of remediation will be designed to correct the areas identified as unsatisfactory. Such remediation plan will meet the requirements as set forth in the Illini West Evaluation Plan.
- In addition, a teacher receiving an unsatisfactory summative rating, is entitled to appeal that rating and have the IWHS appeals evaluation committee review the summative evaluation.
- Upon completion of the remediation plan the teacher will either be returned to the regular evaluation schedule or dismissed in accordance with the Illinois School Code.

Extension of a Teacher's Contract Year

Teachers required by the Board to work beyond the regular school year (see school calendar) will have their salary increased by proration on a per-day basis.

Field Trip Procedure

 - Each teacher working a full school year but less than a full school day shall received twelve (12) sick days per year equivalent to the teacher's assigned work day. Such days shall accumulate from year-to-year based on the teacher's equivalent assignment. (For example, a teacher employed 50 percent of the regular work day could accumulate 350 one-half days of sick leave.)
 - Each tenured teacher working part time for a full school year may add sick days earned to their accumulation of sick days at the prorated level.
- Advance Notice or Unexpected Sick Leave -- When a teacher or staff member uses any sick leave, either Advanced Notice or Unexpected, they must complete a Sick Leave form and mark the appropriate box and electronically submit to the high school principal.
- Unexpected sick leave – For absences that come up before or after school hours, the teacher should call the High School Secretary to secure a substitute for the day. - Sick leave shall be taken in at least one-half day segments.
- When calling to use a sick leave day, the following information must be provided at that time:

 - Location of lesson plans.
 - Location of seating charts.
 - Any special instructions.

- C. Teachers on such leave may continue insurance benefits if they reimburse the District for any pro-rata costs of premiums for which they apply.
- D. Such leave shall not be credited towards advancement on the salary schedule unless the employee works more than ninety (90) days in the school year.

- E. The grant or denial of such leave shall not constitute a precedent for future leave requests and the decision is not grievable.

Teachers missing 0- 175 minutes of instructional time will be charged one-half day absence, and 175-300 minutes will be charged a full day of absence.

Each of the provisions in this policy applies to all professional personnel to the extent it does not conflict with an applicable collective bargaining agreement or individual contract; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave, Personal Leave, Leave of Absence Without Pay, Professional Development Leave, Association Leave

Please refer to the current “Contract Between Illini West High School District #307 and Illini West High School Education Association.”

Child Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take child bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Child Bereavement Leave Act. Child bereavement leave allows for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of his or her child, (2) making arrangements necessitated by the death of the staff member’s child, or (3) grieving the death of the staff member’s child, without any adverse employment action.

The leave must be completed within 60 days after the date on which the employee received notice of the death of his or her child. However, in the event of the death of more than one child in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Child Bereavement Leave Act. This policy does not create any right for an employee to take child bereavement leave that is inconsistent with the Child Bereavement Leave Act.

Leaves for Service in the Military

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

School Visitation Leave

An eligible professional staff member is entitled to 8 hours during any school year, no more than 4 hours of which may be taken on any given day, to attend school conferences or classroom activities related to the teacher’s child, if the conference or activity cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves for Victims of Domestic or Sexual Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic or sexual violence, or (2) has a family, or household member who is a victim of domestic or sexual violence whose interests are not adverse to the employee as it relates to the domestic or sexual violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance without suffering adverse employment action.

The Victims' Economic Security and Safety Act governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 et seq.).

Leaves to Serve as an Officer or Trustee of a Specific Organization

Upon request, the School Board will grant: (1) an unpaid leave of absence to a teacher who is elected to serve as an officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, (2) 20 days of paid leave of absence per year to a trustee of the Teachers' Retirement System to attend meetings and seminars as described in 105 ILCS 5/24-6.3, and (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the District, or his or her designee, to attend meetings, workshops, or seminars as described in 105 ILCS 5/24-6.2.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same election day.

Bd Policy 5:250

Leaving the Building (Teachers)

Excluding lunch, teachers are not to leave the building without notifying the office. It is important that the office staff is aware of your whereabouts in the event of an emergency. Any teacher taking his/her class outside for an activity must inform the office. A teacher may have their cell phone turned on during activities outside the building in case the office needs to contact them.

Lesson Plans

Planning is the key to successful teaching. Each faculty member is provided a plan book and is expected to plan for his/her classes. Written plans must be available in case of the need for a substitute or at the request of the building administrator. Lesson plans need to provide the state standards that they are addressing. Lesson plans need to be placed on the teacher's web page on the school website on a weekly basis. Teacher web pages will be checked by the high school principal periodically to see that lesson plans are properly updated.

Lunch – Duty Free

Each full-time teacher shall be entitled to a duty free lunch period of not less than 30 minutes.

Overload

Teachers who have Board approval to teach beyond their normal work load of six (6) periods will be compensated at 1/7 of their teaching salary.

Part-Time Teacher Salary Credit

Part-time teachers contracted for a full school year who teach less than a full school day shall be granted credit toward salary schedule advancement based upon credit earned through TRS reporting. Part-time

teachers will be placed on the Salary Schedule, the same as full-time teachers, at a pro-rated amount based on the number of classes taught.

Personnel File

Each certified employee shall have the right, upon having first given two (2) workdays' notice, to review his or her personnel file. Each certified employee shall have the right to include a written comment about any item contained in said file

Progress Reports

During the fifth (5th) week of each quarter, progress reports will be available for all students. These will include current grades in all classes. The principal will inform staff of due dates for those reports. Teachers are also required to contact all parents of students who are at a D grade or failing and submit a report to the Principal of calls that were made.

Required Attendance

Teachers are required to attend the following unless prior arrangements have been made with the principal:

- All faculty meetings
- Institutes/SIP days
- Parent/Teacher Conferences
- IEP Meetings that the teacher has been invited to attend

It is recommended that teachers attend the following:

- Student activities
- Graduation

Report Cards

Report cards will be issued at the end of each of the four quarters of instruction, approximately every nine weeks. The principal will inform the staff when grades must be completed in Power School for the grading period.

Representation Rights

When any teacher is required to appear before the District Board concerning any matter which could adversely affect his or her employment, the teacher shall be entitled to have a representative of the Teachers Association present.

Resignations

Tenured teachers may resign at any time with consent of the School Board or by written notice sent to the School Board Secretary at least 30 days before the intended date of resignation. However, no teacher may resign during the school term in order to accept another teaching position without the consent of the School Board.

Bd Policy 5:210

Retirement Enhancement Plan

The Retiring Teaching Salary Enhancement Program is for the purpose of recognizing the service of those teachers who have been employed by the School District for twenty (15) or more years and is made available

in exchange for an irrevocable notice of resignation and retirement. The terms of the Retiring Teacher Salary Enhancement Program are as follows:

Qualifications

In order to be eligible for the District's Retiring Teacher Salary Enhancement Program a teacher must meet the following qualifications:

1. To be eligible for any of the following Plans, an employee must meet the following requirements:

For all teachers employed by the District prior to September 1, 2007, this shall include their years of service from Carthage CUSD #338, Dallas City CUSD #336 and/or LaHarpe CUSD #335. The District may require proof of eligibility
2. As of the date of retirement the retiring teacher must not be participating in any retirement program which requires a payment or contribution by the District or that would otherwise give rise to any penalty payment by the District, such as the Early Retirement Option (ER0) provided under section 16-133.2 of TRS or any similar TRS provisions or programs.
- 3 Teachers electing to participate in the one year program shall, by no later than the first day of January of the year prior to retirement, submit to the Board of Education an irrevocable written letter of resignation and retirement advising the Board of the teacher's retirement at the end of the next school term.

Teachers electing to participate in the two year program shall, by no later than the first day of January two years preceding the year of retirement, submit to the Board of Education an irrevocable written letter of resignation and retirement advising the Board of the teacher's retirement at the end of the school term two years out.

Teachers electing to participate in the three year program shall, by no later than the first day of January three years preceding the year of retirement, submit to the Board of Education an irrevocable written letter of resignation and retirement advising the Board

Salary Schedule Movement

Horizontal movement on the salary schedule shall be based upon completion of graduate courses taken as part of a graduate program leading to the next higher degree or completion of graduate courses that pertain to the teacher's area of instruction within the classroom. Such courses shall be in a field of secondary education or secondary administration. Teachers are responsible to notify the District Bookkeeper of all courses completed and provide official transcripts verifying grades and credits. These must be submitted by September 1.

Seniority Lists

The District shall prepare, maintain and post the seniority list as per *Illinois School Code* (105 ILCS 5/24-12).

Seniority Tie Breakers

In the event District seniority is equal between employees, the following procedures are to be utilized in the order as presented as a tie breaker:

- A. Previous public school teaching experience credit inside and outside the District which is allowed for credit on the salary schedule.
- B. Education beyond the Bachelor's degree which is allowed as credit on the salary schedule.
- C. Any further ties shall be determined by drawing lots.

Student Policies

Attendance

Teachers are responsible for maintaining complete, accurate and up-to-date attendance records through PowerSchool software. Attendance is to be reported through PowerSchool at the beginning of each class period. Students are never permitted to input or edit attendance information in PowerSchool. After entering attendance on PowerSchool, teachers must always immediately exit (not just minimize) PS so that others may not access or edit PS information. The office will call the parents of students who are absent no later than 10:00 AM each morning, so it is very important that the hourly information is correct. Teachers should never accept parent notes from students regarding absences. Students should be directed to submit these notes to the office before school, during passing time or lunch, or after school.

Class Work Make-Up Policy

Students will be given one day per day of absence to make up assignments missed as a result of an excused absence.

If a student has advance knowledge of an assignment and/or a test prior to the absence they will be required to have the assignment completed or take the test on the day they return to school.

It is the responsibility of the student to contact the teacher for assignments missed while absent. This should be done outside regular class time.

If the assignments are to be made up during class time, that teacher will be responsible for the supervision of the student and assignment.

Eligibility for Extra-Curricular Activities

Illini West High School enforces a “No Pass, No Play” policy. Eligibility will be determined using the student’s current grades exported from Power School each Friday at 7:30 AM. Teachers are required to keep their grades updated on Power School. Teachers whose grades are not updated for the week will notify the Principal and state the reason in writing. Ineligibilities begin on Monday and run through the following Sunday. Questions regarding athletic eligibility should be referred to the Athletic Director or Principal.

It is strongly recommended by the Principal that teachers do the following:

- When a student receives their first D or F for a quarter, the teacher should send a note to the student’s parent(s).
- During subsequent weeks when the student continues to receive a D or F, phone contact should be made with the student’s parent(s) on a regular basis.

Excusing Students from the Building

Under no circumstances is a teacher permitted to excuse a student to leave school. Teachers are not to send a student on an errand that will take him/her off school property without administrative and parental approval.

Hall Passes

Staff members must sign the student’s hall pass, for the following

1. Using the restroom
2. Going to the office when ill.

Students should not be issued passes to use the office phone or go to another teacher’s classroom (unless that teacher has issued the pass). Passes issued by one faculty member should be honored by other faculty members if it is convenient to do so. Normally, faculty members should make personal contact with another teacher if they need to see a student assigned to another’s class. No more than one student per class at a time should be given a pass unless it is an emergency or requested by the office.

Passes from the following should be honored:

1. The Guidance Counselors
2. The Office
3. To see a staff member (counselor, outreach liaison, social worker, school psychologist, Dean of Students etc..)

Hallway Postings

All materials displayed by students in the hallways must have prior approval of the Principal.

Lost or Damaged Books or Property

It is the responsibility of students to properly maintain books or other property issued by the school. If the books or property are damaged the students must make restitution. Check with the high school office for a list of suggested damage fees.

Lunch Counts

Teachers are expected to take an accurate lunch count during 1st hour each day. This count is to be entered into Power School directly following the announcements each day. If Power School is not available, the count is to be written down on paper and delivered to the office.

Semester Exams

Semester exams will be required in all courses at the end of the first and second semester. Semester exams will count as 10% of the final semester grade.

Special Education Referrals

If a teacher feels a student needs special education services, contact should be made with the special education coordinator. The coordinator will make the referral.

Study Hall

Study halls assigned to students are part of their schedule. The rules for attendance and tardiness are the same for study hall as they are for all other classes. Students will not be allowed to go to a teacher for extra help unless they have a note from that teacher.

Tardy

When the bell rings for the beginning of any class period, all students should be ready to participate in that day's lesson. If a student is tardy, he/she must present a pass from either the office or from another teacher. If a student does not have a pass, he/she should be marked tardy. All students that are tardy for the beginning of school and class must report to the office for a pass. It is extremely important that the entire staff be consistent in the enforcement of this policy.

Student Teachers

The Superintendent is authorized to accept students from university-approved teacher-training programs to do student teaching in the District. No individual who has been convicted of a criminal offense that would subject him or her to license suspension or revocation pursuant to Section 5/21B-80 of the School Code or who has been found to be the perpetrator of sexual or physical abuse of a minor under 18 years of age pursuant to proceedings under Article II of the Juvenile Court Act of 1987 is permitted to student teach.

Before permitting an individual to student teach, begin a required internship, or participate in any field experience in the District, the Superintendent or designee shall ensure that:

1. *The District performed a 105 ILCS 5/10-21.9(g) Check as described below; and*
2. *The individual furnished evidence of physical fitness to perform assigned duties and freedom from communicable disease pursuant to 105 ILCS 5/24-5.*

A 105 ILCS 5/21.9(g) Check shall include:

the FBI national crime information databases pursuant to the Adam Walsh Child Protection and Safety Act (P.L. 109-248);

2. *A check of the Illinois Sex Offender Registry (see the Sex Offender Community Notification Law (730 ILCS 152/101 et seq.); and*
3. *A check of the Illinois Murderer and Violent Offender Against Youth Registry (Murderer and Violent Offender Against Youth Community Notification Law (730 ILCS 154/75-105).*

The School Code requires each individual student teaching or beginning a required internship to provide the District with written authorization for, and pay the costs of, his or her 105 ILCS 5/21.9(g) check (including any applicable vendor's fees). Upon receipt of this authorization and payment, the Superintendent or designee will submit the student teacher's name, sex, race, date of birth, social security number, fingerprint images, and other identifiers, as prescribed by the Department of State Police, to the Department of State Police. The Superintendent or designee will provide each student teacher with a copy of his or her report.

Assignment

The Superintendent or designee shall be responsible for coordinating placements of all student teachers within the District. Student teachers should be assigned to supervising teachers whose qualifications are acceptable to the District and the students' respective colleges or universities.

Bd Policy 5:260

Student Transportation

No person under the age of 21 years shall transport passengers in connection with the operation of the school. The operation of the school includes but is not limited to field trips and extracurricular activities.

Substitute Teacher Plans

All teachers must always have a substitute folder in their room . This folder should include:

1. Procedures for taking attendance, tardies, etc.
2. Class rosters
3. Seating charts
4. List of students who can help with classroom procedures
5. Classroom rules and expectations
6. Class schedules
7. Any special instructions
8. Reference to the room's Crisis Manual information
9. Other duties

Lesson plans will be available for the substitute. It is the expectation that the learning process will continue in the absence of the regular teacher. The substitute will be asked to fill out a Substitute Report form for the teacher.

Substitute Pay

Teachers who agree to use their planning time to cover another classroom shall be compensated at a rate of \$25.00 per period.

Suspension

Suspension Without Pay

The School Board may suspend without pay: (1) a professional employee pending a dismissal hearing, or (2) a teacher as a disciplinary measure for up to 30 employment days for misconduct that is detrimental to the School District. Administrative staff members may not be suspended without pay as a disciplinary measure.

Misconduct that is detrimental to the School District includes:

- * *Insubordination, including any failure to follow an oral or written directive from a supervisor;*
- * *Violation of Board policy or Administrative Procedure;*
- * *Conduct that disrupts or may disrupt the educational program or process;*
- * *Conduct that violates any State or federal law that relates to the employee's duties; and*
- * *Other sufficient causes.*

The Superintendent or designee is authorized to issue a pre-suspension notification to a professional employee. This notification shall include the length and reason for the suspension as well as the deadline for the employee to exercise his or her right to appeal the suspension to the Board or Board-appointed hearing examiner before it is imposed. At the request of the professional employee made within 5 calendar days of receipt of a pre-suspension notification, the Board or Board-appointed hearing examiner will conduct a pre-suspension hearing. The Board or its designee shall notify the professional employee of the date and time of the hearing. At the pre-suspension hearing, the professional employee or his/her representative may present evidence. If the employee does not appeal the pre-suspension notification, the Superintendent or designee shall report the action to the Board at its next regularly scheduled meeting.

Suspension With Pay

The School Board or Superintendent or designee may suspend a professional employee with pay: (1) during an investigation into allegations of disobedience or misconduct whenever the employee's continued presence in his or her position would not be in the School District's best interests, (2) as a disciplinary measure for misconduct that is detrimental to the School District as defined above, or (3) pending a Board hearing to suspend a teacher without pay.

The Superintendent shall meet with the professional employee to present the allegations and give the professional employee an opportunity to refute the charges. The professional employee will be told the dates and times the suspension will begin and end. No suspension with pay shall exceed 30 school or working days in length.

Repayment of Compensation and Benefits

If a professional employee is suspended with pay, either voluntarily or involuntarily, pending the outcome of a criminal investigation or prosecution, and the employee is later dismissed as a result of his or her criminal conviction, the employee must repay to the District all compensation and the value of all benefits received by him or her during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

Teacher Work Day

Teachers will be expected to report to work no later than 7:50 am and will leave no sooner than 3:30.

Teachers should adhere to the work day hours on days that school is in session. If a teacher needs to leave the building at any point during those hours, it is incumbent that the Principal be notified.

Teachers are to be in their classrooms and prepared for their lesson by the tardy bell. Teachers are not to leave their students unsupervised, unless it is an emergency situation that requires immediate attention. In such case, the office should be notified ASAP regarding the situation.

Teacher Qualifications

A teacher, as the term is used in this policy, refers to a District employee who is required to be licensed under State law. The following qualifications apply:

1. *Each teacher must:*
 - a. *Have a valid Illinois Professional Educator License issued by the State Superintendent of Education with the required endorsements as provided in the School Code.*
 - b. *Provide the District Office with a complete transcript of credits earned in institutions of higher education.*
 - c. *On or before September 1 of each year, unless otherwise provided in an applicable collective bargaining agreement, provide the District Office with a transcript of any credits earned since the date the last transcript was filed.*
 - d. *Notify the Superintendent of any change in the teacher's transcript.*
2. *All teachers working in a program supported with federal funds under Title I, Part A must meet applicable State certification and licensure requirements.*

The Superintendent or designee shall:

1. *Monitor compliance with State and federal law requirements that teachers be appropriately licensed;*
 2. *Through incentives for voluntary transfers, professional development, recruiting programs, or other effective strategies, ensure that minority students and students from low-income families are not taught at higher rates than other students by unqualified, out-of-field, or inexperienced teachers; and*
 3. *Ensure parents/guardians of students in schools receiving Title I funds are notified of their right to request their students' classroom teachers' professional qualifications.*
1. ***Bd Policy 5:190***

Teaching Assignments

The administration recognizes that a good educational environment includes teachers who are working within their area of expertise. Whenever possible, teachers will not be required to teach outside their major field of preparation. Teachers will, at no time, be required to teach a majority of their classes outside of their field of preparation. The primary consideration in assignments shall be in meeting the philosophy and objectives adopted by the board.

Every effort will be made to minimize the number of preparations each teacher will have.

Teachers shall be given notice of tentative assignments prior to thirty (30) days of the beginning of each school year if such assignment constitutes a change in assignment from the preceding year. Such notice does

not constitute a guarantee of such position and does not restrict the authority of the District to make assignments consistent with its determination of the needs of the District. A teacher subject to such assignment change shall be permitted a conference with the Superintendent to discuss the change. If the teacher remains dissatisfied after the conference, the teacher shall be permitted to resign without penalty.

In the event a teacher desires to transfer to another teaching position, such teacher may present written notice of such request to the Superintendent. The Superintendent shall consider such requests in making staffing recommendations. However, such staffing decisions shall be the sole discretion of the District. In the event the teacher requests reason or reasons for the grant or denial of such request, the teacher shall be given reason for such denial. This decision shall be final and not subject to grievance. When requested, the Superintendent's response shall be in writing.

Additional responsibilities and remunerations as coaches or sponsors of activities shall not be considered as part of a teacher's contractual services but shall be subject to annual review and appointment by the Board of Education.

Teaching License

Each teacher is to present his/her teaching license as registered in the Regional Office of Education before the first salary payment in September.

Terms and Conditions of Employment and Dismissal

The School Board delegates authority and responsibility to the Superintendent to manage the terms and conditions for the employment of professional personnel. The Superintendent shall act reasonably and comply with State and federal law as well as any applicable collective bargaining agreement in effect. The Superintendent is responsible for making dismissal recommendations to the Board consistent with the Board's goal of having a highly qualified, high performing staff.

School Year and Day, Salary, Assignments and Transfers, Evaluation, Duty-Free Lunch

Please refer to the current "Contract between Illini West High School District #307 and Illini West High School Education Association."

Dismissal

The District will follow State law when dismissing a teacher.

Bd Policy 5:200

Textbook Replacement

Textbooks will be purchased by the school district as the budget allows. Textbooks should be requisitioned and ordered in the spring of the ending school year for the arrival at the beginning of the new school year.

A textbook replacement schedule is up for review.

This list could be subject to change should an unforeseen need arise in a particular subject area.

Teacher Retirement System - TRS

The Board will pay a maximum of 0.98901% toward TRS Benefits for all covered employees. Extra-curricular stipends will be considered as TRS salary and will be paid at the 0.98901% rate.

Use of School Property

Teachers are directly responsible for all school property under their supervision and indirectly responsible for all school property.

Web Pages

The district provides web pages for teachers to use. Teachers are expected to keep their web pages up-to-date on a weekly basis. Teacher web pages will be checked by the high school principal weekly to see that lesson plans are properly updated. For assistance with your web page, contact the high school office.

Weekly Grade Updates

Access is available to parents to check their student's grades, attendance, lunch account status, etc. through PowerSchool. In order to ensure that this information is current, teachers are required to update their grades by the end of the next to last attendance day of each week to provide the most current information available for parents and to assist with accurate eligibility requirements. Teachers whose grades are not updated for the week will notify the Principal immediately.

Educational Support Personnel

The Board of Education for Illini West High School District #307 and the Service Employees International Union Local 73 have entered into a contract that establishes certain specified terms and conditions of employment for most Educational Support Personnel in the School District. As to the Educational Support Personnel covered by the SEIU contract, the SEIU contract shall govern in case of any conflict between the contract and the following provisions of the Staff Handbook.

Breaks/Meal Break

Each employee working eight (8) hours per day shall receive a fifteen (15) minute break period in the first one half of the shift and a fifteen (15) minute break period in the second one half of the shift to be scheduled with the approval of the immediate supervisor. Each employee working at least five (5) and less than eight (8) hours per day shall receive a fifteen (15) minute break period to be scheduled with the approval of the immediate supervisor.

Each employee required to work seven (7) hours or more shall receive a one half (1/2) hour meal break. Breaks shall be scheduled at times which are least disruptive to the work environment, as determined by the immediate supervisor. If an employee chooses to leave the building for their meal break, they will sign out and in at a place designated by the building principal.

Bus Driver Yearly Physical Exam

The District will pay the cost of an office call for the yearly physical examination for all regular and substitute bus drivers. The District will not pay for anything beyond a regular examination.

Compensatory Time-Off

Please refer to the applicable collective bargaining agreement.

For employees not covered by a current applicable bargaining agreement:

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, 29 U.S.C. §201 et seq., and (2) are not represented by an exclusive bargaining representative.

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 240 hours, which represents compensation for 160 hours of overtime. An employee whose work regularly includes public safety, emergency response, or seasonal activities may accumulate a maximum of 480 hours of compensatory time, which represents compensation for 320 hours of overtime. If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for

any additional overtime hours worked, at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off.

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the District's operations. The employee's supervisor must approve a request to use compensatory time-off.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment; or
2. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

Implementation

The Superintendent or designee shall implement this policy in accordance with the FLSA. In the event of a conflict between the policy and the FLSA, the latter shall control.

. Bd Policy 5:310

Employees will receive an Agreement to Receive Compensatory Time-Off statement to execute and return to the District.

Compensable Time Defined for Non-Exempt Employees

Non-Exempt Employee - The term "non-exempt employee" refers to employees who are not exempt from the overtime provisions in the wage and hour laws. See administrative procedure 5:35-API, Fair Labor Standards Act Exemptions.

Hours Worked - Non-exempt employees must be compensated for all hours worked in a workweek. In general, hours worked include:

- All the time an employee must be on duty;
- All the time an employee must be on the employer's premises;
- All the time an employee must be at any other prescribed place of work; and
- Any additional time the employee is allowed, i.e., "suffered or permitted" to work.

Suffered or Permitted to Work - If an employer knows or has reason to know that a non-exempt employee starts work early or continues to work late, it is considered work time. 29 C.F.R. §785.11.

This includes knowing or having reason to know that an employee works at home, e.g., as when a Building Principal's secretary calls for substitutes early in the morning. 29 C.F.R. §785.12.

If an employee works additional straight time, at the regular rate of pay, or overtime hours without authorization, that employee must still be compensated but may be disciplined for violating Board policy.

Volunteering to Perform Regular Work - Non-exempt employees may not volunteer to perform their regular work duties off-the-clock and without compensation. 29 U.S.C. §203(e)(4)(A). An employee must be paid even if he or she offers to do the work on his or her "own time." Employees may not waive wage and hour law requirements.

Volunteering to Perform Services that Are Not the Same as Regular Work - Non-exempt employees may volunteer to perform services under these conditions: (1) the volunteer services are not the same as or similar to the employee's regular work duties, (2) the employee offers the services freely and without coercion, and (3) the employee provides the services without promise of compensation although a volunteer may be paid "expenses, reasonable benefits, or a nominal fee to perform such services." 29 U.S.C. §203(e)(4)(A), 29 C.F.R. §553.101 and 103. A fee is not nominal if it is a substitute for compensation or tied

to productivity. 29 C.F.R. §553.106(e). While the specific circumstances in each case must be analyzed, the District will generally limit nominal pay to employees for volunteer services to no more than 20% of what the District would otherwise pay to hire an employee for the same services. 3. Paraprofessionals

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Illinois State Board of Education (ISBE).

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

4. Noncertificated and Unlicensed Personnel Working with Students and Performing Non-Instructional Duties

Noncertificated and unlicensed personnel performing non-instructional duties may be used:

5. For supervising study halls, long distance teaching reception areas used incident to instructional programs transmitted by electronic media, e.g., computers, video, and audio, detention and discipline areas, and school-sponsored extracurricular activities;
6. As supervisors, chaperones, or sponsors for non-academic school activities; or

Nothing in this policy prevents a noncertificated person from serving as a guest lecturer or resource person under a certificated teacher's direction and with the administration's approval.

8. Coaches and Athletic Trainers

Athletic coaches and trainers shall have the qualifications required by any association in which the School District maintains a membership. Regardless of whether the athletic activity is governed by an association, the Superintendent or designee shall ensure that each athletic coach: (1) is knowledgeable regarding coaching principles, (2) has first aid training, and (3) is a trained Automatic External Defibrillator user according to rules adopted by the Illinois Department of Public Health. Employment At-Will, Compensation, and Assignment

Employment At-Will

Unless otherwise specifically provided, District employment is at-will, meaning that employment may be terminated by the District or employee at any time for any reason, other than a reason prohibited by law, or no reason at all. Nothing in School Board policy is intended or should be construed as altering the employment at-will relationship.

Exceptions to employment at-will may include employees who are employed annually, have an employment contract, or are otherwise granted a legitimate interest in continued employment. The Superintendent is authorized to make exceptions to employing non-licensed employees at-will but shall maintain a record of positions or employees who are not at-will.

Compensation

Please refer to the applicable collective bargaining agreement.

For employees not covered by a current applicable bargaining agreement:

The School Board will determine salary and wages for educational support personnel. Increments are dependent on evidence of continuing satisfactory performance. An employee covered by the overtime provisions in State or federal law, shall not work overtime without the prior authorization from the employee's immediate supervisor. Educational support personnel are paid twice a month.

Assignment

The Superintendent is authorized to make assignments and transfers of educational support personnel.

For employees not covered by a current applicable bargaining agreement:

The District may terminate an at-will employee at any time for any reason, subject to State and federal law.

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continued employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Superintendent is responsible for making dismissal recommendations to the Board consistent with the Board's goal of having a highly qualified, high performing staff.

Reduction in Force and Recall

Please refer to the applicable collective bargaining agreement.

For employees not covered by a current applicable bargaining agreement:

The Board may, as necessary or prudent, decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow Sections 10-22.34c (outsourcing non-instructional services) and 10-23.5 (procedures) of the School Code, to the extent they are applicable and not superseded by legislation or an applicable collective bargaining agreement.

Final Paycheck

A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

Suspension

Please refer to the applicable collective bargaining agreement.

For employees not covered by a current applicable bargaining agreement:

Except as provided below, the Superintendent is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct or pending a dismissal hearing whenever, in the Superintendent's judgment, the employee's presence is detrimental to the District. A disciplinary suspension shall be with pay: (1) when the employee is exempt from the overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees.

Any criminal conviction resulting from the investigation or allegations shall require the employee to repay to the District all compensation and the value of all benefits received by the employee during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

Bd Policy 5:290

Evaluations

The Superintendent is responsible for designing and implementing a program for evaluating the job performance of each educational support staff member according to standards contained in Board policies

Illinois Municipal Retirement Fund - IMRF

Support staff employees are required to participate in the Illinois Municipal Retirement Fund if they are in an IMRF qualified position. An IMRF qualified position is one that will equal or exceed the employer's annual hourly standard of 600 hours a year. Illinois Municipal Retirement Fund provides retirement benefits, disability benefits, and death benefits. Members of IMRF contribute 4 ½ (4.5%) percent of their salary to IMRF, of which these contributions are tax deferred from federal and state income taxes. The employer also contributes to IMRF for pension costs, survivors' pension, disability benefits, and death benefits. Federal law requires that all support staff employees must participate and contribute to Social Security/Medicare.

Leaves of Absence and Procedures

Each of the provisions in this policy applies to all educational support personnel to the extent it does not conflict with an applicable collective bargaining agreement or individual contract; in the event of a conflict, such provision is severable, and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Please refer to the applicable collective bargaining agreement.

For employees not covered by a current applicable bargaining agreement:

Full or part-time educational support personnel who work at least 600 hours per year receive 10 paid sick leave days per year. Part-time employees will receive sick leave pay equivalent to their regular workday. Sick leave shall accumulate to a maximum of 180 days, including the leave of the current year. Please refer to the applicable collective bargaining agreement(s) for the District's written plan allowing eligible employees to convert eligible accumulated sick leave to service credit upon an employee's retirement under the Illinois Municipal Retirement Fund.

Sick leave is defined in State law as personal illness, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, or placement for adoption. The Superintendent and/or designee shall monitor the use of sick leave.

As a condition for paying sick leave after 3 days absence for personal illness or 30 days for birth or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, (4) a physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than 3 days for personal illness, the District shall pay the expenses incurred by the employee.

The use of paid sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Superintendent may require that the employee provide evidence that the formal adoption process is underway.

Vacation

Please refer to the applicable collective bargaining agreement.

For employees not covered by a current applicable bargaining agreement:

Twelve-month employees shall be eligible for paid vacation days according to the following schedule:

Part-time employees who work at least half-time are entitled to vacation days on the same basis as full-time employees, but the pay will be based on the employee's average number of part-time hours per week during the last vacation accrual year. The Superintendent will determine the procedure for requesting vacation.

Vacation days earned in one fiscal year must be used by the end of the following fiscal year; they do not accumulate. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Bd Policy 5:35

Schedules

Individual work hours shall be set at least one week in advance. However, nothing shall restrict the ability of the administration to vary work hours and schedules when warranted through change of conditions, emergencies or other reasons.

At the sole discretion of the Superintendent, an employee may be granted permission to vary starting and quitting time of an individual shift.

Time Sheets

Time sheets are required of all support staff employees and should be completed and turned in as indicated on the time sheet. All absences for sick leave, personal leave, and lost time should be listed on the time sheets. Employees may suffer loss of pay for the following reasons:
