March 20, 2020

3:30 p.m.

Dear Illini West Students, Staff and Families,

From the Governor

Governor Pritzker has announced more stringent guidelines for the state of Illinois.

1. The Governor has announced “Shelter in Place” beginning on Saturday, March 21st. All non-essential workers must work from home.
2. School re-opening has been postponed to April 8th and could possibly be postponed longer.
3. School lunches will continue to be delivered.

From Illini West

Illini West will continue its continued instruction. If your student is having technology problems please have them email greenhalge.c@illiniwest.org for help.

If you have a concern about meals, please email schilson.kim@illiniwest.org. Please give the name of your student and where they live, as Illini West is working in cooperation with the elementary districts for lunch distribution.

Illini West will be closed starting Monday, March 16th and will tentatively reopen on Wednesday, April 8th.

This is a fluid situation and updates should be expected. Thank you for patience and cooperation as we work diligently to coordinate a workable plan for all of our students while keeping their health and well being as the number one priority.

Please monitor the Illini West website for further updates.

Kim Schilson, Superintendent
