

Transition Team Plan IWHS Spring 2020/Fall 2020

1. Final Grades

- No semester exams.
- If the student has a D or higher 3rd quarter, they will receive a letter grade for the 4th quarter and 2nd semester AT least equivalent to the 3rd quarter grade.
- If the student has shown progress, the teacher will have the discretion to award them a higher 4th quarter grade/2nd semester grades. You will have to be able to justify that grade.
- If the student received an F for 3rd quarter.
 - The student will receive a P (pass) grade for 4th quarter and 2nd semester
 - If they did MORE work to improve their grade, they should receive the grade you determine (example: F for 3rd quarter, however during Remote Learning they improved to a D for 4th quarter, they would receive a D for 4th quarter and a D for the semester)

NOTE: Teachers will only give a P grade (for 4th quar. and 2nd Sem) if the student failed 3rd quarter and did little or no work during Remote Learning.

Remember: We cannot do ANY educational harm to the student, plus we have no idea what some of our kids are going through at home, work etc.
